The Canadian Way of War Bernd Horn,2006-04 This collection of essays underlines the reality that the Canadian way of war is a direct reflection of circumstances and political will *The Temple of Lal Gubir* Dragons and Dungeons

Sorcerers,2016-03-05 A rich and detailed dungeon based adventure for first level characters compatible with D a sustained and coherent storyline with every encounter and room contributing to the whole strong balance between combat dialogue role play and puzzle solving encounters which flex in size difficulty according to the number of players in your group sufficient XP for a group to progress to Level 2 background information including a table of gods and their domains to bring the campaign to life 8 to 12 hours estimated playing time play as you go instructions for novice DMs including clear instructions so that you can start playing right away Initial reports from agents sent by the Chancellor speak of strange rumours of evil spirits terrorising Lal Gubir and making off with the children of its inhabitants He also gave you this curious token collected by his latest agent

Legal Imaginaries of Crisis and Fear Martin Belov,2025-11-18 This book explores the epistemological semiotic semantic and heuristic dimensions of the dark emotions in constitutional and international law We are living in times of crisis and emergency where negative emotions and dark feelings are abundant As these have come to form the intellectual and socio legal context for the performance of constitutional and international law this book explores their place especially the politics of fear but also anger hate despair and crisis in our current constitutional polycrisis Focusing on this dark constitutionalism the book draws together an international and interdisciplinary range of scholars to consider the place of emotive semiotics in collective meaning making the constitutional politics of emotions and emotional approaches to global challenges in a time of crisis emergency and transition The book thereby develops a compelling analysis of the use of negative emotions in the shaping of contemporary constitutional imaginaries and with it a novel account of the rise of dark constitutionalism This book will appeal to researchers and scholars working in the areas of legal theory legal philosophy constitutional law international law and socio legal studies Chapter 1 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Connecting Teens with Technology at the Library Kelly Nicole Czarnecki,Marie L. Harris,2021-05-29 Connecting Teens with Technology at the Library presents a balanced view of the often complex relationship between teenagers and their technology This book will help support fellow teen serving staff nationwide in program creation and collection development on this relevant topic Throughout the chapters the authors take a lens of inclusivity to address the needs of many teens not just those that are avid users While programming is central to most books about teens and technology in the library this read goes beyond a mere listing of program ideas or reviews but offers practical advice for linking these technology programs with real world applications such as future careers and community partnerships The authors provide options of low tech and high tech as well as how to engage youth during the pandemic and

beyond The book also explores areas of connecting teens with technology beyond programming and into areas of mentoring and community building the foundational blocks of the library Whether readers are just starting out in libraries or are a seasoned library worker this book has tips to engage every reader in welcoming teens to the technology resources of the library With *Connecting Teens with Technology at the Library* Czarnecki and Harris have created an essential manual for working with teens through and with technology From matching your program with the library's mission to developing your professional and teen collections with technology centered materials to sample programs that your teens will love this book has everything you need to create an impactful technology program that works in and out of the library **D&d Players**
