It's time for Spring break in town! Summer means great fun like when an explorer goes to a new place. They want to plan all kinds of fun things to do, like fishing, hiking, hiking, swimming, and more. They are hoping for some sunny, enjoyable weather. However, they just cannot decide which day to do each activity. So, they decided to check the weather forecast to see whether before making final plans.

When you make predictions you use information from a story or document to determine what will happen next.

- 1. Tuesday and the cloud seem to be the best for fishing. On which days might they not want to go fishing?
