Employee Body Language Revealed Harmony Stalter, 2010-11-15 Only 7 percent of communication is verbal and 38 percent is vocal pitch speed volume tone of voice The largest chunk then 55 percent is visual body language eye contact People form 90 percent of their opinion about you within the first 90 seconds of meeting you Understanding body language is a skill that can enhance your life This understanding can be a plus in the workplace You can know what an employee or co worker thinks and feels by examining their subconscious body language And like the world s best communicators you can have strong body language that reflects confidence competence and charisma This groundbreaking new book will make you an expert on body language You will have the ability to read people s minds Would you like to know if a co worker is interested or attracted to you when an employee or co worker is lying or telling the truth how to make instant friends and persuade and influence others This book contains proven techniques that will make people including employers and co workers like you and trust you You can use your body language to your advantage by transmitting only the messages you want people to receive This specialized book will demonstrate step by step how to use body language to your benefit in the workplace and in everyday situations Atlantic Publishing is a small independent publishing company based in Ocala Florida Founded over twenty years ago in the company president e tm s garage Atlantic Publishing has grown to become a renowned resource for non fiction books Today over 450 titles are in print covering subjects such as small business healthy living management finance careers and real estate Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to date pertinent information real world examples and case studies with expert advice Every book has resources contact information and web sites of the products or companies discussed

Body language at the workplace Anna Nieland, Bärbel Popp, 2007-05-23 Seminar paper from the year 2006 in the subject Communications Specialized communication grade 1 7 niversity of Applied Sciences Oldenburg Ostfriesland Wilhelmshaven Oldenburg course Communication and Presentation language English abstract In the following written assignment we are going to discuss the topic Body language at the workplace To be able to understand what body language is about there will be a definition which will afterwards lead to a description of the criteria of selective notice Body language is also known as nonverbal communication and that is why the importance of nonverbal communication plays a crucial role in our everyday life we cannot control At this point of the written assignment there should be a better knowledge of body language and therefore the relationship between the spoken and the unspoken words are analysed This is very important because nonverbal and verbal communication always go hand in hand As we already experienced and will experience in our career there are many different cultures and with that many different cultural meanings of body language especially in mimic and gesture Because of the internationality in the world and the everyday contact to other cultural groups we have to understand the meaning of their body language We will underscore this with some examples chosen Our actual topic Body language at the workplace is

divided into four chapters beginning with the career interview in which the most important behaviours we have to pay attention to are explained The occupational body language deals with the kind of body language you automatically use according to your job and workplace Because of our field of studies we will go into the effective use of meetings which might be seen as a little guide to the future To ensure a good work climate attitudes to workmates play an important role because in regard to your behaviour you will be either respected or disrespected And because it is important for business people to know if their opposite is lying we figured out the main aspects to expose the liar With our last point we are trying to show how easy it is to manipulate your own body language which makes it even harder for others to understand the meaning of it
