Together Alone Jeff Apter, 2010-06-01 A story of breakthroughs breakdowns sibling rivalry and respect and some of the best pop songs this side of Lennon and McCartney To rattle off the hits of Neil and Tim Finn reads like a checklist of

recent pop history And to think it all began in sleepy rural Te Awamutu a town whose name had a truly sacred ring as Neil would famously recount It was a town where Brian Timothy Finn fell in love with the Beatles an obsession that would also work its way straight into his younger brother Neil s DNA Success for the brothers was a long time coming it took several turbulent years in Split Enz an art pop band Neil would join in 1977 despite Tim s reservations before they produced a genuine hit and connected with the mainstream And it was achieved by one of Neil s songs I Got You which wasn t the sweetest pill brother Tim had ever tasted After all Split Enz was his band his odyssey his obsession When the Enz came undone their paths split Neil led world beaters Crowded House while Tim immersed himself in a series of bold if not always successful solo projects Eventually the brothers reunited leading to Woodface an album considered by many to be Crowded House s finest Yet that house proved to be a little too crowded and Tim was fired from the band before reuniting with Neil again for two hugely rewarding Finn records though neither came without their fair share of fraternal conflict Today the Auckland based Finns both OBEs ARIA Hall of Famers and proud fathers remain as popular and credible as at any time in their respective careers Based on interviews critical analysis extensive research and more than 30 years of Finns watching and listening Together Alone is the first biography written about the Finn brothers Tim the closet drummer and accidental bandleader Neil the guarded family man
