Bedtime tales that are special, enjoyable and soothing may teach people valuable lessons and inspire a love of reading. CHILDREN'S BEDTIME STORIES Lovely, **Bedtime Stories for Kids** Ingrid Connor, 2021-06-04. Win the trust of your customers with this authentic book. Get customers addicted to your Store. Bedtime stories open your child to so many interesting ideas and so many new worlds. They help your child imagine. They let your child dream. Muhammad Ali once said: "The man who has no imagination has no wings." Cut down their wings and they stop growing. For bedtime stories, send your child to a world where they can create, where they can empathize with the wounded deer and they can be happy for the excited bear who found his honey. Bedtime stories are a great catalyst for your child to develop the right emotional and mental intelligence. They mature and start getting a hint about the world's machinery. They learn about consequences. They start creating their endings to the stories and might even foresee the correct ending. Send your child off to a beautiful, dreamy world made of cotton with beautiful bedtime tales and not to a world of ghouls. Bedtime stories become a door to a world of knowledge which opens them up to many more worlds. Their developing brains listen to these bedtime tales and start storing ideas. They start understanding consequences and they start drawing up their own endings. The next time you are telling your child a bedtime story, they might even surprise you by predicting the right one. Bedtime stories can help instill much-needed values. They can send your child to a beautiful, dreamy world. They can teach your child mindfulness. And after all, who doesn't love a good story? It might even help you relax and give you your much-needed distraction. **The Greatest Children's Books of All Time - Thornton Burgess Collection** Thornton Burgess, 2022-11-13.
