

Conflict Resolution Role-Plays

Guide children through role-playing scenarios where they encounter conflicts and practice resolving them peacefully and assertively. This activity promotes problem-solving skills, empathy, and effective communication.

Emotion Detective

Give children the task of observing people's facial expressions, body language, and tone of voice in different situations. Afterward, they can discuss their observations and try to identify the emotions they are experiencing.

Emotion Charades

Create a list of emotions (happy, sad, angry, surprised, etc.), and have children take turns acting out the emotions without using any words while the others guess what emotion they are representing.

Feelings Thermometer

Create a visual "feelings thermometer" with a range of emotions from calm to extremely upset. Children can point to where they currently fall on the thermometer to express how they are feeling, facilitating self-regulation and emotional awareness.

Regulation Techniques

Teach children calming strategies such as counting to ten, taking deep breaths, or using positive self-talk to cope with intense emotions and regulate their emotional responses in challenging situations.

Emotion Bingo

Create Bingo cards with various emotions written in each square. Children can mark off the emotions they experience throughout the day or as they recognize them in others. This game reinforces emotion recognition and vocabulary.

Emotion Art Collage

Provide magazines, newspapers, and art supplies for children to create collages that represent different emotions. Encourage them to describe their artwork and the emotions it conveys, fostering creative expression and emotional awareness.

Emotion Sorting Game

Prepare a collection of pictures, stories, or scenarios depicting various emotions, and ask children to sort them into categories based on the emotions they represent. This activity helps children categorize and label different emotions accurately.

Mindfulness Exercises

Introduce simple mindfulness exercises such as deep breathing, body scans, or guided imagery to help children become more aware of their emotions and learn to manage stress and anxiety effectively.

Gratitude Practice

Encourage children to keep a gratitude journal where they write down things they are thankful for each day. This practice helps cultivate positive emotions, resilience, and appreciation for the good things in life.
