LA DEMOCRACIA INCONCLUSA

HISTORIA DE LA SOBERANÍA DEL PUEBLO EN FRANCIA

La democracia representativa se impone obligadamente al mismo tiempo que se debilita en su funcionamiento. Aunque la democracia puede ser convenientemente definida como el establecimiento de la soberanía del pueblo, el contenido de esta última hoy parece, en efecto, dudoso. El progreso de la globalización económica, la soberanía de la construcción europea, el fortalecimiento del papel del derecho, el aumento de poder de las instituciones de regulación no elegidas, el papel más activo del Consejo Constitucional: múltiples evoluciones convergen para renovar los valores y las formas de expresión adquiridos de la voluntad general.

El objetivo de esta obra es aclarar estas cuestiones actuales reintegrando las a una historia prolongada y amplia del problema de la soberanía del pueblo. Porque las interrogantes sobre el sentido y las formas adecuadas de esta soberanía no datan de nuestro tiempo. Aunque desde hace dos siglos se presenta como el principio organizador ineludible de todo orden político moderno, el imperativo que manifiesta esta evidencia fundamental siempre fue tan arduo como imperfecto. En la soberanía se superpone, desde hace muchísimo tiempo, el bien y lo confuso. El estudio de discrepancias y la remoción de las tensiones que siempre han ido a la par con ella han sido tanto más vivos cuantos que su definición nunca ha dejado de ser inconclusa. Es por esto que la historia de un decurso y de una sucesión de minucias se han entremezclado permanentemente.

Lejos de las dimensiones o de las simplificaciones contemporáneas, Rosanvallon se propone mostrar que el proyecto de una soberanía más activa del pueblo sigue siendo pertinente y que en adelante puede ser compatible en términos que refuerzan la libertad, en lugar de amenazarla.

Ying-Ying Zheng

La Democracia Inconclusa Scribd Com:

The Promise and Perils of Populism Carlos de la Torre, 2015-01-13 From the protesters in Cairo's Tahrir Square to the Tea Party in the United States to the campaign to elect indigenous leader Evo Morales in Bolivia modern populist movements command international attention and compel political and social change When citizens demand power to the people they evoke corrupt politicians imperialists or oligarchies that have appropriated power from its legitimate owners These stereotypical narratives belie the vague and often contradictory definitions of the concept of the people and the many motives of those who use populism as a political tool In *The Promise and Perils of Populism* Carlos de la Torre assembles a group of international scholars to explore the ambiguous meanings and profound implications of grassroots movements across the globe These trenchant essays explore how fragile political institutions allow populists to achieve power while strong institutions confine them to the margins of political systems Their comparative case studies illuminate how Latin American African and Thai populists have sought to empower marginalized groups of people while similar groups in Australia Europe and the United States often exclude people whom they consider to possess different cultural values While analyzing insurrections in Latin America advocacy groups in the United States Europe and Australia and populist parties in Asia and Africa the contributors also pose questions and agendas for further research This volume on contemporary populism from a comparative perspective could not be more timely and scholars from a variety of disciplines will find it an invaluable contribution to the literature

El ocaso del chavismo Margarita López Maya, 2016-12-21 En 2005 fue publicado por primera vez *Del viernes negro al referendo revocatorio* según Margarita López Maya la primera parte del proceso de cambios que se extiende desde 1983 hasta 2004 Ahora con *El ocaso del chavismo* su autora nos acerca a los procesos sociopolíticos que generaron la crisis global de la sociedad venezolana en el período que se extiende de 2005 a 2015 Ambos libros arman un recorrido histórico que arranca con la crisis estructural de la Venezuela rentista que buscó ser superada con un cambio de elites y de proyecto político pero que desafortunadamente la experiencia ha resultado en un gran fracaso Este libro es el corolario de un trabajo de compilación conformado a partir de la reformulación de varias publicaciones académicas que Margarita López Maya ha realizado de manera individual o en colaboración con colegas a lo largo de los últimos años Su lectura nos permite observar meticulosamente mediante un enfoque ilustrativo y desde una perspectiva crítica los detalles del acontecer político venezolano que desencadenaron el difícil momento que actualmente vive el país y a partir del recuento de hechos concretos se dan respuestas a dudas e interrogantes en torno al porqué de este fracaso
