Summary of Anaïs Nin's Little Birds Everest Media, 2022-04-05T22:59:00Z Please note This is a companion version not the original book *Sample Book Insights* 1 Manuel and his wife were poor and when they first looked for an apartment in Paris they found only two dark rooms below the street level giving onto a small stifling courtyard Manuel was sad He was an artist and there was no light in which he could work His wife did not care She would go off each day to do her trapeze act for the circus 2 Manuel was well aware that he was highly endowed by nature in the matter of size If it was true that his penis wilted as soon as he came too close to a woman he was also aware that if a woman looked at him his penis would grow to enormous proportions and behave in the most vivacious way 3 The day when the shy girl had looked at Manuel he was very

happy He thought that now it would be easier to satisfy himself fully if he could just control himself But instead of controlling himself he opened his kimono and showed himself to the girls **An Unknown Woman** Alice Koller,1983 A novel about a woman who travels in order to discover herself **Companion to Literature** Abby H. Lawrence and Nine Women Writers** Leo Hamalian,1996 D H Lawrence and Nine Women Writers sheds fresh light on how a number of women writers of his time and our own reacted in their thinking and writing to D H Lawrence s unbridled individualism sensitive genius creative energy and his sometimes infuriating misogynistic resentments Critic and scholar Leo Hamalian explores the ways that the sensibilities of nine important women writers were both extensively and profoundly influenced by the English author s fiction poetry criticism and self styled polyanalytics Hamalian s series of comparative readings is illuminating They demonstrate clearly that the hard questions of ideology subject matter and style which engaged Lawrence throughout his turbulent career continued to challenge a number of women writers who were grappling with these issues from another vantage point Through skeptical of some of Lawrence s theories these writers valued the dynamic aspects of Lawrence s creativity especially his emphasis on consciousness of wider meanings rather than character on symbol rather than narrative although he was a masterful storyteller They realized that his intensely conceived and evocatively concentrated scenes could be turned into a highly rewarding technique for suggesting the emotional conflicts and moral dilemmas of their own characters His primitivist philosophy struck them as healthy and his sensitivity as a kind of appealing vulnerability BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
