## CHAPTER 1

### > Letter sounds

#### NOTE:

If kids knew all the 26 alphabets, move on to the sound.

If kids have not learnt letters, teach letter and sound simultaneously.

That is write A and tell the kids that the letter name is A and the sound of A is ah (as in ant)

Use the actions below to teach sounds.

Also tell them what are vowels and consonants.

(Before you start, Refer the last page for alternative teaching method. Decide which suits your child)

### > Actions for the Sounds:

Teach only 2 to 3 letter sound a day.

Teach them the beginning sound and ending sound concept.

For ex; if you have taught sounds of the letters s and t, show them various pictures, whose words ends with s or t. And ask the kids to say the sound they heard first.

Then tell them to guess the correct letter of that sound.

Follow the same to teach ending sound too.
