Promises in the Dark, Book 4, Angelfire II Quartet Karen Wiesner, 2016-11-04 Heaven's promise desire's flame Return to Karen Wiesner's award winning Angelfire Trilogy There are no scars like those inflicted in childhood and no love like your first Timeless couples Diane Hoffmann and Mikey Lund Roxanne Hart and Jamie Dubois Cherish Stephenson and Ty Foxx and Sapphire Stephenson and William Decker seek out the unconditional love and healing of an angel and the scorching heat of unending passion William Decker has lived his life on the principle of Better to not love what you never had to begin with and You can't be hurt by anything you haven't invested yourself in and he can't deny his life motto's have done little beyond keep him lonely Sapphire Stephenson married had a child and divorced before she was out of her teens Her entire life is wrapped up in being a good role model for her daughter and not trusting any man living or dead Decker seems to be the one exception But is even he capable of more than promises in the dark

Promises in the Dark Karen Wiesner, 2016-11-07 William Decker an orphan who grew up without warmth or companionship from those around him had been a loner all his life preferring solitude loneliness and dark corners to friends anything resembling a spotlight and even love When he met Roxanne Hart his first and only year of college he'd found a center he'd unconsciously looked for all his life Though Rox loved him deeply as a friend she was in love with another man and he'd never really had a shot there despite his relentless loyalty When she announces her wedding William knows it's long past time for him to stop wishing for the moon but more than that he realizes for the first time that he'd set his heart on an unavailable woman purposely He's lived his life on the principle of Better to not love and lose what you never had to begin with and You can't be hurt by anything you haven't invested yourself in and he can't deny it's done little beyond keep him lonely Sapphire Stephenson married had a child and divorced before she was out of her teens But starting out life with a newborn and parents who refused to understand why she couldn't forgive her cheating husband even once she'd taken the only job she'd been able to get as a waitress and later a bartender at a rough biker joint in New York City Sapphire is certain of two things That being a good role model for her daughter is the most important thing in her life and that there isn't a man alive worth any loyalty The dudes who come through the bar have no respect for let alone interest in anything that isn't transitory with the women around them William Decker is the one exception to the rule she's observed and he intrigues her the way no other man ever has But is even he capable of more than promises in the dark that he'll break without regret by morning light
