Busse,2018-11-06 Lady Selene is the heir to the Great House of Ravenwood and the secret family gift of dreamwalking As a dreamwalker she can enter a person s dreams and manipulate their greatest fears or desires For the last hundred years the Ravenwood women have used their gift of dreaming for hire to gather information or to assassinate As she discovers her family s dark secret Selene is torn between upholding her family s legacy a legacy that supports her people or seeking the true reason behind her family s gift Her dilemma comes to a head when she is tasked with assassinating the one man who can bring peace to the nations but who will also bring about the downfall of her own house One path holds glory and power and will solidify her position as Lady of Ravenwood The other path holds shame and execution Which will she choose And is she willing to pay the price for the path chosen **Fairy Queens Saga: Books 1-4** Amber Argyle,2016-05-17 Rule 1 Never bargain with the fae Rule 2 Never fall for the enemy To be with the ones they love three women must break the fae curse that binds their families as immortal enemies Of Ice and Snow

The only shepherd in a family of warriors Otec returns to his clan to find all the men gone to war They didn't bother to tell him let alone ask him to fight beside them When his mother sends him on a trifling errand in the high mountains he looks back to find his village burning and his people taken captive Cut off from the help of other clans and dodging raiders he must trust a foreign woman stalked by a dark mysterious magic as they race to save his family from a life of slavery Worse what he thought was a mere raid is actually a full scale invasion In the end he must choose between saving his family or his kingdom

Winter Queen A dying man delivers a terrible warning a civil war has begun between neighboring clans As healer and clanmistress Ilyenna is tasked with keeping the wounded refugees alive and her people fed during a seemingly endless winter But when the war moves to the heart of her village Ilyenna looks into her enemy's eyes and sees more than just cunning There is also lust for power and lust for her She could save herself accept the fae bargain that would grant her their dark magic in exchange for her soul Her refusal leaves her struggling to survive her captor's cruelty She finds a measure of solace in the arms of her fellow prisoner Rone But it isn't long before she discovers the feud between clans is merely a distraction from something far worse Ilyenna must decide whether or not to resurrect the power the fairies left behind Doing so will allow her to defeat her enemies but if she embraces winter she risks losing herself to that destroying power forever

Whitney Finalist and winner of the Rone Award for Best Fantasy Science Fiction of 2014 Of Fire and Ash There is one rule above all others never bargain with the fae for such bargains always morph into curses But as the droughts worsen Nelay must rely more and more on her forbidden sight to keep her family alive When her father goes missing she risks exposure to find him before time runs out And when she arrives too late the fairies are the only ones who can save him All they require is a simple bargain that she'll return the favor one day Some bargains are lethal

Summer Queen Only Nelay can stand between the cinders of her once great nation and the vengeance of the Winter Queen Nelay was nine years old when she bargained with the fae to save her father's life That bargain left her bereft of family and cursed Now seventeen and a powerful acolyte Nelay wants nothing more than to become high priestess in the Temple of Fire Until the Clanlands bent on vengeance invade with their army and trap Nelay's family behind enemy lines Determined to save them Nelay finds an unlikely and annoying ally in a smuggler with a penchant for legends The fact that he's handsome doesn't hurt But as the Clanlands pommels her kingdom into submission Nelay realizes a bigger power is at play than that wielded by mere mortals The fae Winter Queen has rendered the enemy army nearly invincible Perhaps the only way to defeat the fae is to embrace the curse they gave her There's just the little problem of losing her soul in the process To rise from the ashes first she must burn Can three women cursed as enemies learn to work together to break the curse find love and save the dying magic
