Meixner,2026-04-08 Summer break can be a beautiful gift to educators The Summer Recovery Guide for Teachers offers an insightful research informed companion for educators seeking to optimize this gift for their well being and wholeness This guide offers a structured soul nourishing journey through the summer season inviting teachers to pause reflect and restore in ways that are both practical and profound Each of the 90 days includes a short affirming truth about the renewal process a mindfulness or self care practice grounded in self compassion and a reflection question to encourage deeper insight and healing The summer begins with reflections to help teachers leave the school year behind and come into the present moment Next the guide invites teachers to establish boundaries in order to find balance to cultivate connections and to explore their sense of personal identity Teachers are then invited to focus on gratitude release the things which do not serve them and trust the process As the summer progresses the guide encourages teachers to deepen reflection live in a space of renewal nourish their creativity and approach their time with a sense of intention Finally teachers spend time anchoring and looking ahead to the transition back into the school year This book is an invaluable resource to be used as a solo daily companion

with a summer book club or as the foundation for a personal retreat. However, teachers choose to move through the reflections, the invitation is the same: come back to peace and well-being and return to students healed and whole. May the summer months serve teachers just as teachers serve others throughout the school year.
