Structure Of Dna In Gujarati:

Gujarat Under Modi Christophe Jaffrelot,2024-02-29 In 2012 Narendra Modi became the first Hindu nationalist politician thrice elected to lead a state of the Indian Union his stewardship as Chief Minister of Gujarat being the longest in that state s history Modi and his BJP supporters explained his achievement by pointing to economic growth under his leadership yet detractors point out that Modi has been more business friendly than market friendly to the benefit of large industrial corporations and at the cost of great social polarisation In 2002 an anti Muslim pogrom of unparalleled ferocity occurred in Gujarat leading to the biggest number of Muslim deaths since Partition The state s Hindu majority immediately rallied around Modi No serious riot has occurred in Gujarat since but polarisation was key to Modi s strategy there and he has deployed that strategy again and again since he became Prime Minister of India in 2014 For Modi has cultivated a communal image A marketing genius his messaging combines the politics of Hindutva with economic modernisation to the clear appreciation of Gujarat s middle class Christophe Jaffrelot s revealing book shows how Modi s Gujarat served as the laboratory of Modi s India not only in terms of Hindu majoritarianism and national populism but also of caste and class politics

Gujarat Beyond Gandhi Nalin Mehta,Mona G. Mehta,2013-09-13 The birthplace of Mahatma Gandhi and the land that produced Mohammad Ali Jinnah the founder of Pakistan Gujarat has been at the centre stage of South Asia s political iconography for more than a century As Gujarat created as a separate state in 1960 celebrates its golden jubilee this collection of essays critically explores the many paradoxes and complexities of modernity and politics in the state The contributors provide much needed insights into the dominant impulses of identity formation cultural change political mobilisation religious movements and modes of communication that define modern Gujarat This book touches upon a fascinating range of topics the identity debates at the heart of the idea of modern Gujarat the trajectory of Gujarati politics from the 1950s to the present day bootlegging the practice of corruption and public power vegetarianism and violence urban planning and the enabling infrastructure of antagonism global diasporas and provincial politics providing new insights into understanding the enigma of Gujarat Going well beyond the boundaries of Gujarat and engaging with larger questions about democracy and diversity in India this book will appeal to those interested in South Asian Studies politics sociology history as well as the general reader This book was published as a special issue of South Asian History and Culture

Race, Ethnicity, Nationality and the Law András L. Pap, 2025-09-05 This book provides a complex insight into how law as a distinct tool and technology conceptualizes and operationalizes race ethnicity and nationality The focus of the comparative project by bringing examples from five continents and scores of jurisdictions as well as showcases for hybrid intersectional groups is specifically the morphology and dynamics of legal categorization Separate discussions concentrate on conceptualizing groupness and membership as well as agency and contestation The book shows that although identity politics has dominated recent decades ethno racial self identification is not the only operationalizing model legal regimes apply especially with the recent boost in artificial intelligence AI and bio genetic research Examples for the re biologization of ethno racial conceptualization are brought from a wide range of legal regimes including citizenship anti discrimination asylum and Indigenous law The work provides a journey through the administrative political construction and contestation of ethno racial classifications with particular attention paid to the concepts of free choice of identity covering and fraud as well as the arbitrariness the historical path dependence and the role of merit in conceptualization While the starting point of the book is to capture ethnicity as a category of law it shows how legal conceptualization and operationalization are intertwined with categories of analysis and experience The methodology applied is comparative constitutional and international law but the research will have wider interdisciplinary appeal offering a novel perspective for a broad audience in social sciences and humanities
