

A vintage-style illustration of a woman with dark, wavy hair, wearing a light green dress and a white hat with a red flower. She is sitting on a train, looking out the window. Other passengers are visible in the background, including a man in a suit and a woman in a light blue dress. The scene is set during the day with a bright sky and a cityscape visible through the train windows.

Swing Music Youtube:

YouTube Jean Burgess, Joshua Green, 2013-09-04 YouTube is one of the most well known and widely discussed sites of participatory media in the contemporary online environment and it is the first genuinely mass popular platform for user created video In this timely and comprehensive introduction to how YouTube is being used and why it matters Burgess and Green discuss the ways that it relates to wider transformations in culture society and the economy The book critically examines the public debates surrounding the site demonstrating how it is central to struggles for authority and control in the new media environment Drawing on a range of theoretical sources and empirical research the authors discuss how YouTube is being used by the media industries by audiences and amateur producers and by particular communities of interest and the ways in which these uses challenge existing ideas about cultural production and consumption Rich with both concrete examples and featuring specially commissioned chapters by Henry Jenkins and John Hartley the book is essential reading for anyone interested in the contemporary and future implications of online media It will be particularly valuable for students and scholars in media communication and cultural studies

The Flesh of Animation Sandra Annett, 2024-04-30 How animation can reconnect us with bodily experiences Film and media studies scholarship has often argued that digital cinema and CGI provoke a sense of disembodiment in viewers they are seen as merely fantastic or unreal In her in depth exploration of the phenomenology of animation Sandra Annett offers a new perspective that animated films and digital media in fact evoke vivid embodied sensations in viewers and connect them with the lifeworld of experience Starting with the emergence of digital technologies in filmmaking in the 1980s Annett argues that contemporary digital media is indebted to the longer history of animation She looks at a wide range of animation from Disney films to anime electro swing music videos to Vocaloids to explore how animation through its material forms and visual styles can evoke bodily sensations of touch weight and orientation in space Each chapter discusses well known forms of animation from the United States France Japan South Korea and China examining how they provoke different sensations in viewers such as floating and falling in Howl s Moving Castle and My Beautiful Girl Mari and how the body is mediated in films that combine animation and live action as seen in Who Framed Roger Rabbit and Song of the South These films set the stage for an exploration of how animation and embodiment manifest in contemporary global media from CGI and motion capture in Disney s live action remakes to new media installations by artists like Lu Yang Leveraging an array of case studies through a new approach to film phenomenology *The Flesh of Animation* offers an enlightening discussion of why animation provides a sensational experience for viewers not replicable through other media forms

Artie Shaw Barnett Singer, Jesse Read, 2023-12-01 A remarkable bandleader composer and clarinetist Artie Shaw s popularity defined the American music scene from 1938 to 1945 the Swing Era Shaw led a fascinating tumultuous personal life including a difficult childhood and marriages to starlets such as Lana Turner and Ava Gardner This biography covers Shaw s life and career and is based in part on interviews with Shaw

conducted by the author during the 1970s and 1980s Chapters cover the Swing Era his time in the Navy during World War II and the Shaw Orchestra Some analytic chapters dig deeper into the meaning behind his recordings highlighting the growth within his music Understanding Media Semiotics Marcel Danesi,2018-11-15 Media semiotics is a valuable method of focusing on the hidden meanings within media texts This new edition brings Understanding Media Semiotics fully up to date and is written for students of the media of linguistics and those interested in studying the ever changing media in more detail Offering an in depth guide to help students investigate and understand the media using semiotic theory this book assumes little previous knowledge of semiotics or linguistics avoiding jargon and explaining the issues step by step With in depth case studies practical accounts and directed further reading Understanding Media Semiotics provides students with all the tools they need to understand semiotic analysis in the context of the media Semiotic analysis is sometimes seen as complicated and difficult to understand Marcel Danesi shows that on the contrary it can be readily understood and can greatly enrich students understanding of media texts from print media right through to the internet and apps The Great Jazz Guitarists Scott Yanow,2013-04-01 B W photos throughout Vocal Racial Crossover in the Song Performance of Three Iconic American Vocalists Eden Elizabeth Kainer,2008 ITA Journal ,2008 **The World's Even Dumber Criminals** Duncan McKenzie,2023-11-07 A hilarious collection of all new true stories of dumb criminals committing stupid crimes A thief breaks into a car only to leave his phone and his social media profile behind A man robs a supermarket but in the excitement he forgets his eight year old son in the store A murder suspect hides in a ceiling which collapses dropping him at the feet of police A woman finds her stolen bike on Craigslist and on meeting up with the thief takes it for a trial ride and never comes back A gang of thieves fills their van so full of stolen oranges that it draws the attention of everyone on the road including some inquisitive cops A drunken man leads police on a low speed chase on his lawn tractor only to be arrested when he runs out of gas Whether they leave behind clues that quickly lead to their capture or drop counterfeit money for the authorities to find there s no shortage of law breakers who seem intent on getting caught *The World s Even Dumber Criminals* is full of new unbelievable but true stories about foolish people who put the wrong in wrongdoing *Future Music* ,2006 *American Music* ,2007 Music: The Art of Listening Jean Ferris,Larry Worster,2009-07-14 Emphasizing music in the context of the society that surrounds it *Music The Art of Listening* weaves the development of Western music into the fabric of cultural history paying special attention to the biographies of significant composers In a clear and accessible format it introduces music from centuries past as well as that of the current era and helps the listener develop techniques to fully appreciate music in public performance halls on the radio in films or in the theater Among the highlights of this seventh edition is a greatly expanded selection of Listening Examples which are available on the texts companion CD set *Music in the Hispanic Caribbean* Robin D. Moore,2010 *Music in the Hispanic Caribbean* is one of several case study volumes that can be used along with *Thinking Musically* the core book in the Global Music Series *Thinking Musically* incorporates music from

many diverse cultures and establishes the framework for exploring the practice of music around the world. It sets the stage for an array of case study volumes each of which focuses on a single area of the world. Each case study uses the contemporary musical situation as a point of departure covering historical information and traditions as they relate to the present. The Spanish speaking islands of Cuba, Puerto Rico and the Dominican Republic make up a relatively small region but their musical and cultural traditions have had a dramatic sweeping impact on the world. The first brief stand alone volume to explore the music of these three islands. *Music in the Hispanic Caribbean* provides a vibrant introduction to diverse musical styles including salsa, merengue, reggaeton, plena, Latin jazz and the bolero. Ethnomusicologist Robin Moore employs three themes in his survey of Hispanic Caribbean music: the cultural legacy of the slave trade, the creolization of Caribbean musical styles and diaspora migration and movement. Each theme lends itself to a discussion of the region's traditional musical genres as well as its more contemporary forms. The author draws on his extensive regional fieldwork offering accounts of local performances, interviews with key performers and vivid illustrations. A compelling comprehensive review. *Music in the Hispanic Caribbean* is ideal for introductory undergraduate courses in world music or ethnomusicology and for upper level courses on Caribbean and Latin American music and or culture. Packaged with a 70 minute CD containing musical examples, the text features numerous listening activities that actively engage students with the music. The companion website includes supplementary materials for instructors.
