## **Taking Rights Seriously Ronald Dworkin:**

**Taking Rights Seriously** Ronald Dworkin, 2013-10-21 A landmark work of political and legal philosophy Ronald Dworkin's *Taking Rights Seriously* was acclaimed as a major work on its first publication in 1977 and remains profoundly influential in the 21st century A forceful statement of liberal principles championing the legal moral and political rights of the individual against the state Dworkin demolishes prevailing utilitarian and legal positivist approaches to jurisprudence Developing his own theory of adjudication he applies this to controversial public issues from civil disobedience to positive discrimination Elegantly written and cuttngly insightful *Taking Rights Seriously* is one of the most important works of public thought of the last fifty years

**Taking Rights Seriously** Ronald Dworkin, 1977 *Taking Rights Seriously* is one of the most significant books on the philosophy of law to be published in the twentieth century First published in 1977 and issued in a new edition with a reply to critics in 1997 it is an established textbook that has never been out of print

[Taking Rights Seriously](#) Ronald Dworkin, 2018-06-25 What is law What is it for How should judges decide novel cases when the statutes and earlier decisions provide no clear answer Do judges make up new law in such cases or is there some higher law in which they discover the correct answer Must everyone always obey the law If not when is a citizen morally free to disobey

[Human Rights in Crisis](#) Geneviève Souillac, 2005-01-01 *Human Rights in Crisis* uniquely documents recent ideas on democracy and human rights in the current French intellectual social and political context arguing that the French emphasis on the interdependence between democracy and human rights as a tool for the critique and renewal of democracy is a valid contribution to the global debate on the political philosophy and the ethics of human rights Centering on the work of four prominent contemporary French political philosophers Blandine Kriegel Marcel Gauchet Luc Ferry and Etienne Balibar Geneviève Souillac expertly examines the themes of contestation and reform that are the driving force in the French approach to democracy and human rights

*Sexuality, Morals and Justice* Nicholas Bamforth, 1997-10-23 Against the background of the law reform debates around sexuality in Britain and America Bamforth examines what functions it is legitimate for the law to serve and how effective law can be in achieving social goals He provides a new and cogent argument for protecting lesbian and gay rights through law but is sceptical about how useful law can be in eradicating discriminatory social practices This work sheds new light on the equal rights debate and raises issues of central importance to the role of law in society

[Pornography Embodied](#) Joan Mason-Grant, 2004-03-12 What does it mean to conceptualize pornography as a material practice rather than as speech Mason Grant argues that this idea fundamental to the work of Andrea Dworkin and Catharine MacKinnon has been obscured in legal wrangling and political polarization over their civil ordinance Within the arena of legal argument where the principle of free speech holds sway for progressive thinkers their analysis of pornography is rendered at worse an apology for censorship and at best an argument about the social force of speech rather than recognized as a fundamental challenge to the very idea of pornography as speech In this book Mason Grant first shows how

the persistent speech paradigm inevitably obscures the innovative core of the Dworkin MacKinnon critique of mainstream pornography She then develops an alternative practice paradigm that critically engages their analysis capturing and extending its core insights about the role of pornography in sexual practice Drawing on phenomenology of the lived body this alternative paradigm provides a way of re thinking how the pervasive use of mass market heterosexual pornography contributes to the cultivation of an embodied and tacit sexual know how that is subordinating and raises important questions about alternative materials produced and used by sexual minorities In her conclusion Mason Grant considers the implications of her analysis not for law but for a critical pedagogy in youth sexuality education

*Rights, Emergencies, and Judicial Review* Imtiaz Omar, 1996-04-24 This book makes a significant contribution to the understanding of issues of comparative constitutionalism in emergent politics Recurrent states of emergency in Malaysia Sri Lanka and Bangladesh provide the background for a comparative examination of constitutional emergency powers individual rights and judicial review This work examines the extent to which the Court in these countries has performed its expected role identifies problems in approaches to interpretation which have been adopted and suggests alternatives to constitutional interpretation and judicial review The alternatives explored are drawn from contemporary western jurisprudence including those of Ronald Dworkin and writers of the Critical Legal Studies tradition The juxtaposition of western jurisprudential development to issues of constitutionalism in the countries under survey is a bold attempt to seek some common ground in conceptualizing rights and techniques of juristic interpretation in western and eastern legal cultures The theoretical framework of the study is well perceived the arguments convincing This carefully researched work makes a valuable and scholarly contribution to the study of comparative constitutional law and jurisprudence

[Legitimate expectations in Luxembourg tax law](#) Fatima Chaouche, 2019-06-25 This book is the result of a 4 year research project conducted at the Faculty of Law of the University of Luxembourg It explores the legal value and enforceability of tax circulars and tax rulings in Luxembourg domestic law in light of the principle of legitimate expectations and related principles After studying the historical roots of both interpretative acts this research questions the level of protection taxpayers enjoy when relying on circulars and tax rulings and contains a review of decades of administrative case law to assess the judicial discourse on taxpayers rights to certainty This book further investigates the case of circulars and tax rulings that contain interpretations of tax laws that are contrary to the law contra legem and builds upon the existing normative framework to introduce proposals addressing issues of uncertainty and inequality taxpayers are likely to suffer when relying on such interpretative acts Prix Pierre Pescatore de la Facult de Droit de Luxembourg cole doctorale de droit

**Law and Semiotics** Roberta Kevelson, 2012-12-06 However it became apparent shortly after the establishing of the Center that not only were all methods of legal semiotics not Peircean in origin but were in their respective foundational assumptions not likely to be compatible with Peirce s semiotics without some radical transforming development of the idea legal semiotics It was clear that if one would intend to be faithful to Peircean semiotics

then holding a fixed notion of what an idea of Peircean semiotics of law means would be a violation of the spirit of Peirce's thought. This above all emphasizes the growth and development of initiative ideas and also the stricture that all leading principles must be subject to revision. Even the idea of Peircean semiotics as leading principle must itself be an open idea, the meaning of which must be transformable through the process of defining it. A metasemiotics view of a semiotics of law must leave open the possibility for revision of the leading principle of the term legal semiotics. Therefore, if legal semiotics is an idea which accumulates and evolves its meaning in the very process of self-examination, then a process of investigating law investigates itself as well in any semiotic process of inquiry. It became apparent that the most appropriate contribution the Center could make to the area of a Peircean semiotics would be to act as a sponsor, an inclusive rather than exclusive agent for inquiry of all kinds into the general topic of law and semiotics.

*Law, Truth, and Reason* Raimo Siltala, 2011-07-29. This book is an innovative contribution to analytical jurisprudence. It is mainly based on the distinct premises of linguistic philosophy and Carnapian semantics but also addresses the issues of institutional philosophy, social pragmatism, and legal principles as envisioned by Dworkin among others. Wrblewski's three ideologies: bound-free, legal and rational, and Makkonen's three situations: isomorphic, semantically vague, normative gap of judicial decision-making, are further developed by means of 10 frames of legal analysis as discerned by the author. With the philosophical theories of truth serving as a reference, the frames of legal analysis include the isomorphic theory of law, Wittgenstein-Makkonen, the coherence theory of law, Alexy, Peczenik, Dworkin, the new rhetoric, and legal argumentation theory, Perelman, Aarnio, social consequentialism, Posner, natural law theory, Fuller, Finnis, and the sequential model of legal reasoning by Neil MacCormick and the Bielefelder Kreis. At the end, some key issues of legal metaphysics are addressed, like the notion of legal systematics and the future potential of the analytical approach in jurisprudence.

**Taking Dworkin Seriously**, 1980 **DEATH TO ONE, LIFE TO ANOTHER** Mohammed Sultan Sayyed, 2019-07-23. There is no doubt that the events of 12 March 1993, which took place at Bombay, were the ghastliest of events. It is also wrong to directly connect the events of 12 March 1993 with the demolition of Babri Masjid on 06 December 1992. The events of 12 March 1993 took place only because of the partial treatment meted out to the Muslims of Bombay by the State during the riots, which took place after the demolition of the Babri Masjid on 06 December 1992. In the name of investigations of the 12 March 1993 case, the entire community was targeted. We Indians were made to believe that the accused from 12 March 1993 were dealt with justice. Being associated with the case as an accused made me wonder as to how the judiciary did all these things while delivering justice. I would not have found all these wonders had I got a job as an Islamic Finance Consultant but for the need of a passport, as it was outside of India. Passports were granted by the State even to those who stood convicted in the same case for far more serious charges than mine. I took it to be the desire of the Supreme Power to narrate the injustice done in this case.

*Rights, Groups, and Self-Invention* Eric J. Mitnick, 2018-01-18. Group-differentiated rights or rights that attach on the basis of membership in a particular social or

cultural group are an increasingly common and controversial aspect of modern pluralistic legal systems Eric Mitnick offers the first comprehensive treatment of this important form of right The book describes and critically assesses the group differentiated form of right from within analytical constitutive and liberal theory It further examines the extent to which group differentiated rights constitute aspects of human identity and it asks whether this should be a cause for concern from the perspective of liberal theory The more detailed normative work advanced in the book contextually applies the constitutive understanding of rights and the principles of liberal membership to particular examples of group differentiated citizenship Such examples range from ascriptive statuses such as slavery and alienage to more affirmative classifications such as those apparent in the contexts of civil unions and affirmative action finally to the claims of religious and other cultural groups for official recognition and accommodation of group based beliefs and practices

Justifying Judgment Vincent Joseph Samar,1998 Samar philosophy Loyola U seeks to develop a metatheory of law that judges could use to decide very hard cases in which the law offers no firm precedents or it is not clear whether the applicable law is just He discusses theories of political philosophy that set a foundation for the duty to obey law presents a natural law justification for a legal system containing morally just laws uses his metatheory to resolve five historically significant constitutional cases and offers suggestions for legal education Annotation copyrighted by Book News Inc Portland OR

A Critique of Adjudication [Fin de Sicle] Duncan Kennedy,1997-05-15 A Critique of Adjudication explores the aspects and implications of adjudication as few books have in this century With an eye to the current state of theory legal or otherwise the author includes a provocative discussion of postmodernism

**Justice Kennedy's Jurisprudence** Frank J. Colucci,2009 Examines the judicial philosophy of Supreme Court Justice Anthony M Kennedy who has been the critical swing vote on the Court for the last 20 years

The Justification of Equal Concern and Respect in Ronald Dworkin's Taking Rights Seriously Jack Alexander Iwanicki,1983

**Social Theory and Practice** ,1981

The Language and Uses of Rights Samuel J.M. Donnelly,1994 This book is a contribution to current discussions in Jurisprudence or Philosophy of Law The meaning and role of rights in society legal discourse and judicial decision making is a topic that is the subject of much contemporary controversy The author examines the various forms of rights discourse as language usages The Language and Uses of Rights offers a vision of law as an activity engaged in by a variety of players including judges advocates for plaintiff and defendant law reformers and scholars

Overview and Conclusion Endnotes Bibliography Index Moral Issues in Military Decision Making Anthony E. Hartle, 2004

Much has changed in warfare in recent years with America now dominant on the international scene and terrorism the new enemy In light of these changes the need for moral grounding in military actions is a more pressing concern than ever When it was originally published Moral Issues in Military Decision Making reflected the concerns posed by nuclear stalemate and the lessons of Vietnam In that highly praised work Anthony Hartle outlined the essential elements of the Professional Military Ethic created for American military forces In this new edition he reexamines the moral foundations for America s military leadership in the post 9 11 era Considering world affairs since the first edition the Gulf War Bosnia Afghanistan Iraq 9 11 and the emergence of the United States as an unrivaled military power Hartle explains how these events have raised ethical issues that differ dramatically from those of the Cold War by the war on terrorism homeland defense asymmetric warfare the proliferation of American military interventions and the UN s role in peacekeeping operations Using meticulously analyzed case studies twice as many as in the first edition he considers such moral dilemmas as torture challenging superior officers use of overwhelming force and responding to fire in the presence of civilian shields In this revision Hartle examines further the status of professional military ethics in light of current affairs changes in the articulation of military values and recent research In a new chapter on human rights he relates moral principles directly to values embedded in the Constitution and argues that overwhelming American military power cannot succeed unless it is accompanied by the moral force of the values it seeks to protect difficulties of applying conventional laws of war and human rights doctrine in military operations Hartle convincingly shows that national security is as much about the preservation of moral principles as it is about the protection of America s citizens and borders His book demonstrates that the American military must continue to observe those principles in order to be effective in its primary mission

### **Taking Rights Seriously Ronald Dworkin Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Taking Rights Seriously Ronald Dworkin has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Taking Rights Seriously Ronald Dworkin has opened up a world of possibilities. Downloading Taking Rights Seriously Ronald Dworkin provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Taking Rights Seriously Ronald Dworkin has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Taking Rights Seriously Ronald Dworkin. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Taking Rights Seriously Ronald Dworkin. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Taking Rights Seriously Ronald Dworkin, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Taking Rights Seriously Ronald Dworkin has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Taking Rights Seriously Ronald Dworkin Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Taking Rights Seriously Ronald Dworkin is one of the best book in our library for free trial. We provide copy of Taking Rights Seriously Ronald Dworkin in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Taking Rights Seriously Ronald Dworkin. Where to download Taking Rights Seriously Ronald Dworkin online for free? Are you looking for Taking Rights Seriously Ronald Dworkin PDF? This is definitely going to save you time and cash in something you should think about.
