Tanker Chartering Institute of Chartered Shipbrokers,2011-05-01      *Tanker Chartering* Institute of Chartered Shipbrokers,2012      Reeds 21st Century Ship Management John W Dickie,2014-04-17 The first modern title to cover the varied and complex world of ship management in the 21st century Ship management has constantly had to evolve to take into account the advancements in technology as well as the demands of the shipping industry Having internet access and email on board ship has meant that the ship manager has to possess certain sets of skills to function effectively in the post including computer literacy The emergence of large multi national ship management companies has also changed how business is conducted and this in turn means that the ship manager and tiers of management within the organization have had to evolve to cope with the demands of working with a multi national workforce Furthermore since the mid 1980s there has been an ever expanding raft of legislation that is more restrictive for companies to meet and a shrinking of profit margins has seen a shift in how companies are required to operate to survive This book addresses the demands of 21st century ship management with the focus of the book as much on the people who manage ships as on the theory and practice of ship management

*Tulane Maritime Law Journal* ,2001      **Maritime Economics 3e** Martin Stopford,2008-12-19 For 5000 years shipping has served the world economy and today it provides a sophisticated transport service to every part of the globe Yet despite its economic complexity shipping retains much of the competitive cut and thrust of the perfect market of classical economics This blend of sophisticated logistics and larger than life entrepreneurs      Tanker Chartering and Management J.
