George,2021-01-17 WOULD YOU LIKE TO LIVE IN A WORLD WHERE NO ONE FEELS DISCRIMINATED OR MARGINALIZED WOULD YOU LIKE TO GO TO WORK EVERY DAY AND FEEL TREATED LIKE OTHERS AND PROPERLY VALUED IF YOU DEAL WITH HUMAN RESOURCES OR IF YOU ARE AN ENTREPRENEUR YOU

CERTAINLY HAVE AN INTEREST IN CREATING AN EFFICIENT PRODUCTIVE WORK ENVIRONMENT WHERE EVERYONE GIVES THE BEST HAVE YOU EVER THOUGHT THAT INVESTING IN DIVERSITY AND INCLUSION CAN BRING YOU MORE BENEFITS THAN YOU EXPECT AND IF YOU ARE AN EMPLOYEE DO YOU KNOW THAT YOU CAN DO A LOT INDIVIDUALLY TO BREAK DOWN PREJUDICES AND CONTRIBUTE TO A BETTER WORKPLACE THIS BOOK OFFERS THE TOOLS TO ACHIEVE ALL OF THESE GOALS The solid base of every organization is its employees This is where the role of human resource professionals commences To make their organization a force to reckon with they need to recruit different candidates who are diverse in their cultural heritage caste sex and even social economic status Once you have various groups of employees in your organization it leads to a diversified workforce which can provide a powerful arsenal for growth opportunities in an organization Remember by having a diverse workforce you can have people with different backgrounds who can share their individual experiences These experiences can pave way for powerful workforce This book has been written with the perspective of providing you with practical illustrations of the problems faced by organizations when they are not diversified In Diversity And Inclusion In The Organizations David F George highlights real life case studies which will help you understand the need for a diversified workforce in today s organization Using the case studies as a cue you can gain useful insights into various initiatives that an organization needs to take to inculcate the diversity He discusses how organizations can make their workforce more effective by providing a conducive environment to employees with a diverse background This book proved to be a catalyst for all the leaders who want to invest in diversity and inclusion in their organization using the HRM best practices Davide F George with his long experience as Change Agent in many companies identified the main causes of Diversity and Inclusion problems within their organizations After many years of deep dive in the most successful companies structures he figured out that the more the workplace is various the more the company is active innovating and competitive David also fully understood what are the main obstacles that companies encounter when they have to structure an integration process The initial resistance to change is part of the natural process of transformation but without the right tools the risk of retreating is very high This can frustrate efforts and not create real benefits Many books have been written on this subject but only the book by David F George fully delves into the dark world of prejudice and the pitfalls it presents in every day life at workplace

Rethinking Organizational Diversity, Equity, and Inclusion William J. Rothwell, Phillip L. Ealy, Jamie Campbell, 2022-05-03 Research has shown that having a diverse organization only improves and enhances businesses Forbes and Time report that diversity is an 8 Billion a year investment However poorly implementing diversity programs have damaging effects on the organization and the very individuals these programs attempt to help Poorly implemented programs can cause peers and subordinates to question decisions and lose faith in leadership In addition it can cause even the most confident individuals to doubt their own skillset and qualifications Many organizations have turned to training to solve this complex issue Yet still other organizations have created and filled diversity and inclusion

positions to tackle the issue The effects of these poorly implemented programs are highlighted during strenuous times such as the latest COVID 19 pandemic Marginalized people are more marginalized and resources and support do not reach everyone Tasks such as providing technical support conducting large group meetings or distributing work obligations without seeing employees on a daily basis becomes more challenging Complex problems cannot be solved with simple solutions Using organization development OD to develop a comprehensive change initiative can help This book outlines how properly conducting an OD change initiative can effectively increase an organization s diversity and inclusion it is grounded in research based literature on diversity and OD principles Many organizational leaders realize the key importance of diversity equity inclusion and multiculturalism in modern organizations It is only through such efforts can organizations thrive in a networked world where much work is done virtually and often across borders But a common scenario is that leaders recognizing the need for a diversity program will pick someone from the organization to launch it Perhaps the person identified for this challenge is in the HR department but has had no experience in launching diversity efforts or even in managing large scale long term organization wide change efforts But these are the challenges to be faced This book quickly identifies some reasons why diversity programs fail and how to avoid those failures The majority of the book highlights how to use OD to improve organization culture and processes to not only increase diversity and inclusion but develop overall organization talent and prevent personal preferences and biases from hindering the selection of the best talent for positions

Diversity, Equity, and Inclusion 4-Part Program to Improve Workplace Culture Using EQ, CQ, Cultural Humility, and Intercultural Communication Charles Harper, 2021-08-27 In an article published in the Harvard Business Review authors Frank Dobbin and Alexandra Kalev 2016 about Why Diversity Fails and What Works Better a point was raised that mandating diversity trainings and using shaming and blaming does not work for buy in Most people seem to be resistance to any organization forcing a change of thinking on anyone People go to work to perform their job not get an education about the injustice of marginalized communities However companies can no longer afford to ignore the barriers that have been experienced by members of marginalized communities in their aspiration to be included and find success in their careers So what is the solution This proposed Diversity Equity and Inclusion 4 Part Program to Improve Workplace Culture using EQ CQ Cultural Humility and Intercultural Communication is a possible avenue of diminishing interpersonal and interdepartmental conflict The goal of this interactive workshop is to explore how improving our personal emotional intelligence cultural intelligence cultural humility and intercultural communication abilities improves our interpersonal relationships in a work environment Using a growth mindset we will develop engagement tools to use in order to promote an inclusive mindset that serves to benefit our interpersonal work relationships and sustain an inclusive work environment At the conclusion of the 4 part education program in the Diversity Equity and Inclusion 4 Part Program to Improve Workplace Culture Series the participant will have developed personal tools and strategies that will help to improve their interpersonal relationships and

environment through modeled behavior The strategies that each participant have devised will be presented to the group for the benefit of a peer reviewed plan The Society of Human Resources states that The diversity equity and inclusion DE I function deals with the qualities experiences and work styles that make individuals unique e g age race religion disabilities ethnicity as well as how organizations can leverage those qualities in support of business objectives This function is accomplished in two manners procedurally and individually This 4 Part Program to Improve Workplace Culture using EQ CQ Cultural Humility and Intercultural Communication series exposes the individual to knowledge and practices that allows the individual participating the choice to view their own engagement abilities and to develop tools to improve their workplace relationship with others

Diversity in the Work Place Erika Nielsen Brown,2021-11-25 How can you promote diversity in the work space and why is diversity important Employees around the world have been struggling and fighting for more diversity in the workplace Whether the employees are people of color women or even members of the LGBTQIA community inclusivity brings acceptance and support to everyone on the team It brings an elevated level of respect and value to the team that will motivate and encourage your employees beyond your expectations and create an inclusive work place So what exactly is work space diversity and why is diversity good It is the act of providing equal opportunities and equal rights for all your employees of various cultures and backgrounds No gender bias no race bias no hidden sexism Everyone has the right to work and to be and to feel a sense of belonging at work Diversity in the Workplace will take you on a journey of acceptance and inclusivity to bring a positive work environment to your employees where everyone can thrive In fact studies have shown that organizations with diverse teams are more likely to increase profits and productivity Not only will diversity attract more people to work for you but it gives your employees a place where they can be themselves No one can work efficiently if they can t be 100% who they are But diversity is not enough This is your chance to also learn all about inclusive conversations inclusive work space and bring about a positive change in your managerial style In Diversity in the Workplace you will discover What diversity looks like now and how you as a leader can help foster a more inclusive workplace The devastating fear of the unknown and why so many leaders are reluctant to change and evolve their managerial skills How to be an inclusive leader and build trust and open mindedness among your employees The 7 pillars of diversity from race to sexuality so you can fully understand how to embrace acceptance and tolerance Why inclusion matters and what you can do to build an inclusive work space How to become a diverse leader to effectively build and lead a diverse team Understand bias and oppression and how to overcome its negative influence And much more The fight for diversity has taken over every industry in the world From academia to theater engineering to finance interior design to maintenance leaders out there are changing their ways Why Because the world is changing and growing to be more diverse Don t get left behind it s time you evolve with it Diversity starts with you If you re ready to build a diverse and inclusive team on the basis of acceptance and respect then scroll up and grab your copy right now
