

# The Symbol of Postmodernism

(Frank Gehry)

## What?

Contemporary architects are using increasingly radical forms for domestic buildings that were once regarded as ordinary. Architects are embracing forms that challenge architectural tradition and the way we inhabit our environment.

## Model 1 - The 1994 Vancouver Children's Centre

Model 1 is a symbol of the way we inhabit offices - fragmentation, diversity and highly irregular forms.

It also represents people and processes that are

flexible

It offers a different way of organizing work that

requires a number of staff to interact

It also shows how the office layout supports

collaboration between staff

flexibility in how staff

interact in the office
