Edwards, 2013-11-26 This book focuses on the way in which businessmen responded to the new problem of

accounting for fixed assets when measuring periodic profit The book is divided into four sections the first embraces items that examine asset valuation procedures in general use during the nineteenth century The second focuses on the particular practices that became popular among public utility companies The third comprises studies on influences particularly legal ones on the treatment of fixed assets in company accounts The final section examines the likely economic effect of using particular valuation procedures and is another area where available material is scarce Of the twenty seven items included seven were written during the nineteenth century and the remainder during the twentieth Their emphasis is practical rather than theoretical they set out the various ways in which companies accounted for fixed assets and provide some explanation for the choices made

*Active Learning - Accounting Games, Starters and Plenaries* Dean Hoss, 2019-10-04 This resource pack has been written to meet the specifications of Accounting High School GCSE IGCSE Advanced Supplementary AS A2 and Foundation courses It offers interesting and active learning through resources that gain students attention and will make lessons and revision sessions more interesting Students learning is always maximised when they are motivated and engaged using a variety of learning activities they can enjoy The games can be used as starters or plenaries to liven up any lesson and enable the teacher to check student understanding and help to fill in any gaps in their knowledge Once a teacher has copied or printed out sets of the activities they can be stored and brought out to fill any suitable moment Most of the activities are short and sweet and can add variety to any lesson and help students to revise The book covers the following Accounting topics
