The Manager's

Book of Questions: 1001 Great Interview Questions for Hiring the Best Person John Kador,2007-04-10 How do you

find the best candidate for any job Know what questions to ask To hire the right talent the most vital contribution a manager can make to a company it s crucial to learn if a candidate will be a team player a good leader or a dud To get the answers you need as a manager you have to ask the right questions and that s why The Manager s Book of Questions has been a bestseller for nearly a decade [Investigating the Validity of Brainteaser Interview Questions](#) Marie Childers,2020 How to hire the best employees is one of the central challenges faced by organizational researchers Organizations have tried to find new ways to assess important applicant characteristics and prevent faking One such method the brainteaser interview has been anecdotally cited as measuring these characteristics but little research has been conducted to investigate these claims Participants were randomly assigned to one of three conditions of an online survey to test the hypothesis that scores on three types of brainteaser interviews predict participants self rated job performance over and above measures of cognitive ability and conscientiousness The moderating role of job complexity for the predictor power of brainteaser interview questions was also examined Results indicate that brainteaser interview questions particularly oddball questions are predictive of these applicant characteristics but primarily through their covariation with other typical selection assessments Job complexity however was not found to moderate relations between scores on brainteaser questions and job performance ratings Further results showed that applicants have strong negative reactions to being asked brainteaser questions in an interview Recommendations for application limitations and future research avenues are also discussed
