

Before going through treatment, Gwen started drinking when children left for school. She isolated herself from others when she could devote her day to her drinking. Now that she is able to stay sober, she finds herself alone at home. Gwen and her family want that she could drink just to relieve her boredom. It has become clear to Gwen that she needs structured daily activities to help her resist using drugs.

What are some options for Gwen?

Handwritten notes in a box: "Gwen could go to a community center, join a support group, or take classes."

EXERCISE 54
