Birk, 2000 Tracing the Round represents a work of genuine scholarly innovation in the already well trodden field of Melville studies The author contends that Moby Dick far from being as sprawling and arbitrarily episodic as much conventional critical opinion has held is in fact based explicitly on astrological and zodiacal symbolism and belief which the author shows Melville to have been profoundly interested in throughout his life and writing career The twelve chapter work highlights by means of close textual analysis a cunningly disguised but nonetheless omnipresent web of correspondences systematically matching all the individual characters plot developments and patterns of symbolism and imagery within the novel to the astrological knowledge Melville was privy to The author uses his familiarity with Melville **The Inhuman Race** Leonard Cassuto, 1997 In revealing the source of the ideology of whiteness in the imagination Cassuto turns to images of blackness in American literature and culture from 1622 to 1865 examining such texts as Swallow Barn Uncle Tom's Cabin Typee and Moby Dick **In Pursuit of Moby-Dick** Joseph S. Catalano, 2023-09-09 This study presents Moby Dick as a novel with three distinct but interconnecting stories Ishmael's which he shares ten years after it has taken place Ahab's which is Ishmael's account of the memorable captain of a whaling ship and a third which centres on whales and whaling which has not received significant critical attention While each of these perspectives compete for prominence in the narrative Ahab and Ishmael's stories have often distracted from the vital significance of the whaling narrative as what outlasts Ahab's obsessive mission Catalano rights this wrong by coming to a strikingly original and thought provoking conclusion which becomes the heart of the book's argument the unity of Melville's book comes first from the way the numerous literary philosophical and religious reflections are rooted in those magnificent beings whales and in the men and ships that pursue them and second in the way these reflections illuminate our own lives *Mariners, Renegades, and*
