The Witches Audiobook:

The Witches Roald Dahl, 2016-01-06 Puffin Audiobooks presents a brand new recording of Roald Dahl's classic *The Witches* read by actress Miranda Richardson. This audiobook features original music and 3D sound design by Pinewood film studios. *The Witches* have a motto: "One child a week is fifty-two a year. Squish them and squiggle them and make them disappear." The Grand High Witch of All the Worlds is the scariest of the lot, but one boy and the grandmother he adores have a plan to get rid of the witches for good.

The 25th Hour Keith B. Darrell, 2016 Mackenzie Mortimer is a typical junior high geek: shy, awkward, late with his homework, and always late for class. He's never got enough time to do everything he needs to do. After all, there are only 24 hours in a day. But when Mac finds his grandfather's pocket watch, he discovers his days have an extra hour. The eccentric inventor's journal reveals the watch can add up to 60 minutes to a single day by freezing time around whomever controls it. When a crisis looms for Mac and his friends, time is running out, but fortunately Mackenzie Mortimer has a few more minutes than anyone else.

The Hyperions, Book Two Keith B. Darrell, 2025-08-15 The Drax, a technologically advanced and ruthless race that captures alien specimens for experimentation to enhance their own genetic makeup, have destroyed the Hyperion starship *The Kayshar* and threaten the rest of the fleet. King Kevian seeks to avenge the loss of ten thousand Hyperion lives but can he defeat the indomitable Drax while Prince Court, leading the fleet to safety and continuing the search for a new home world, struggles with the responsibilities of leadership, reluctant to assume his father's throne.

Return of the Djinn Keith B. Darrell, 2022-05-18 In *The Age of Magic*, anything is possible. What would the Age of Magic be without the Arabian Nights: Aladdin and his magic lamp, Ali Baba and the 40 thieves, genies and djinns, and ifrits, oh my! Flying carpets, desert palm trees, and harems filled with voluptuous women. That Moorish architecture and oh the clothes: turbans, fezzes, and curled pointy shoes. Belly dancers and the Dance of the Seven Veils. The bazaar and the caf. The magical city of Baghdad with its spires, keyhole arches, and minarets glittering more brightly than the Emerald City of Oz. And then there's vampire Sharon Mordecai, a prominent character in every *Halos Horns* novel since the first book but noticeably absent in the previous installment, the ninth book in the series. Where was Sharon? All we were told was that she was on a case with her spectral private investigator partner Kara Islington. Readers got a clue at the very end of the previous book when Ursula Fenris, teenage daughter of Sharon's BFF Pandora, was polishing an oil lamp she had been given by the mysterious proprietor of an even more mysterious curio shop. Kara's ghostly form wafted from the lamp's spout with the dire message that she and Sharon had been captured by a djinn. But how on Earth did they end up in such a predicament?

The Tomorrow Paradox Keith B. Darrell, 2022-05-16 After confronting the mysterious time traveler who had been stalking him, Mac's pocket watch was destroyed. Now Mackenzie Mortimer's troubles are just beginning. Mac finds himself a stranger in a strange land surrounded by familiar people he doesn't really know, with only Gemma, a 15-year-old clone, to guide him through the labyrinth of the future. Will the mysterious black iron key unlock the secrets to returning him home, or is it a harbinger of

his impending doom Time is running out but fortunately Mackenzie Mortimer has a few more minutes than anyone else

All the Time in the World Keith B. Darrell,2022-05-16 Mac has left Gramps diary behind in the future and Victoria Carmichael s ex husband Jeremy Bentaine has stolen it along with Gramps journals Now Bentaine Industries seeks to be the sole possessor of time travel technology and that means eliminating Mackenzie Mortimer before he discovers the pocket watch But Mac has followed Gramps trail to WWII Nazi occupied Belgium where he must use his future technology to stay alive locate Gramps and unite a pair of star crossed lovers The horrors of WWII that Mac encounters will change him forever but if the Bentaine family has its way forever will be a very short time for Mackenzie Mortimer **Book Review Index**

Cumulation Dana Ferguson,2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year **Talking Book Topics** ,2021 Children's Book Review Index 2008 Dana
