Mediated Identities and New Journalism in the Arab World Aziz Douai, Mohamed Ben Moussa, 2016-11-14 This book looks into the role played by mediated communication particularly new and social media in shaping various forms of struggles around power identity and religion at a time when the Arab world is going through an unprecedented period of turmoil and upheaval The book provides unique and multifocal perspectives on how new forms of communication remain at the centre of historical transformations in the region The key focus of this book is not to ascertain the extent to which new communication technologies have generated the Arab spring or led to its aftermaths but instead question how we can better understand many types of articulations between communication technologies on the one hand and forms of resistance collective action and modes of expression that have contributed to the recent uprisings and continue

to shape the social and political upheavals in the region on the other The book presents original perspectives and rigorous analysis by specialists and academics from around the world that will certainly enrich the debate around major issues raised by recent historical events

Ex: The Science of Heartbreak Anne Freier,2027-02-11 **How to Mend a Broken Heart** Ziella Bryars,2021-05-06 Did you hear Amy has heartbreak What bad luck to catch it right at the end of winter When Ziella Bryars was in the midst of heartbreak a conversation with her neuroscientist best friend changed everything Frustrated by unhelpful advice from magazines and rom coms Ziella began diving deep into the latest scientific research to help her understand the pain of heartbreak and find a route to recovery This warm and witty self help book outlines the impact a relationship break up has on our brains and bodies and explores how a science based approach can help us heal Ziella passes on what she learned about how a broken heart can affect everything from our sleep to our digestion how rejection is represented in the brain in the same way as physical pain how the brain processes loss and how a break up can trigger addiction like withdrawal symptoms plus tips for counteracting heartbreak and moving on to acceptance
