taught by churches and ministry Due to a lack in this pursuit many Christians experience needless divorces This problem is magnified due to the majority of churches having an none biblical and limited ministry structure It takes much time to genuinely shepherd people through difficulties and issue resolution This will require teaching the applicable scriptures and the setting out of the conduct rules that apply to a godly love in a marriage commitment So much heartache can be alleviated The two groups of people who are my target purchasers are the Christian believers who struggle with resolving marriage problems then also the church leadership who oversee sincere believers
