

Eating Animals

Bob Fischer

Eating Animals:

Eating Animals in the Early Modern Atlantic World Danielle Alesi, 2025-10-01 This book examines how the perceived edibility of animals evolved during the colonization of the Americas Early European colonizers ate a variety of animals in the Americas motivated by factors like curiosity starvation and diplomacy As settlements increased and became more sustainable constructs of edibility shifted and the colonial food system evolved accordingly By exploring the changes in animal edibility identifiable in early modern Spanish French and English sources in the regions of Mesoamerica Greater Amazonia and the east coast of North America this book shows that animals foodways and settler colonialism are inextricably linked and that the colonization of the Americas was not only the beginning of new empires but also of a long lasting colonial food culture that drives both food systems and human animal relationships to the present day

The Ethics of Eating Animals Bob Fischer, 2019-09-05 Intensive animal agriculture wrongs many many animals Philosophers have argued on this basis that most people in wealthy Western contexts are morally obligated to avoid animal products This book explains why the author thinks that s mistaken He reaches this negative conclusion by contending that the major arguments for veganism fail they don t establish the right sort of connection between producing and eating animal based foods Moreover if they didn t have this problem then they would have other ones we wouldn t be obliged to abstain from all animal products but to eat strange things instead e g roadkill insects and things left in dumpsters On his view although we have a collective obligation not to farm animals there is no specific diet that most individuals ought to have Nevertheless he does think that some people are obligated to be vegans but that s because they ve joined a movement or formed a practical identity that requires that sacrifice This book argues that there are good reasons to make such a move albeit not ones strong enough to show that everyone must do likewise

Eating Animals Jonathan Safran Foer, 2009-10-14 Part memoir and part investigative report Eating Animals is the groundbreaking moral examination of vegetarianism farming and the food we eat every day that inspired the documentary of the same name Bestselling author Jonathan Safran Foer spent much of his life oscillating between enthusiastic carnivore and occasional vegetarian For years he was content to live with uncertainty about his own dietary choices but once he started a family the moral dimensions of food became increasingly important Faced with the prospect of being unable to explain why we eat some animals and not others Foer set out to explore the origins of many eating traditions and the fictions involved with creating them Traveling to the darkest corners of our dining habits Foer raises the unspoken question behind every fish we eat every chicken we fry and every burger we grill Part memoir and part investigative report Eating Animals is a book that in the words of the Los Angeles Times places Jonathan Safran Foer at the table with our greatest philosophers and a must read for anyone who cares about building a more humane and healthy world

Eating Animals Jonathan Safran Foer, 2010-09-01 Part memoir and part investigative report Eating Animals is a groundbreaking moral examination of vegetarianism farming and the food we eat every day that inspired the documentary of

the same name Bestselling author Jonathan Safran Foer spent much of his life oscillating between enthusiastic carnivore and occasional vegetarian For years he was content to live with uncertainty about his own dietary choices but once he started a family the moral dimensions of food became increasingly important Faced with the prospect of being unable to explain why we eat some animals and not others Foer set out to explore the origins of many eating traditions and the fictions involved with creating them Traveling to the darkest corners of our dining habits Foer raises the unspoken question behind every fish we eat every chicken we fry and every burger we grill A must read for anyone who cares about building a more humane and healthy world Eating Animals is a book that in the words of the Los Angeles Times places Jonathan Safran Foer at the table with our greatest philosophers

Meanings and Other Things Gary Ostertag,2016 In *Meanings and Other Things* fourteen leading philosophers explore central themes in the writings of Stephen Schiffer a leading figure in philosophy since the 1970s Topics range from theories of meaning to moral cognitivism the nature of paradox and the problem of vagueness Schiffer s responses set out his current thinking

The Science of Eating Alfred Watterson McCann,1919

Should We Eat Animals? Andrew Langley,2008 These titles encourage critical thinking and debate by providing case studies historical contexts and individual opinions on each issue Readers are encouraged to think and express themselves independently evaluatively and critically At the end readers are left to make up their own minds having acquired transferable skills such as the ability to distinguish fact from opinion weigh up the strength of other people s arguments and recognize other people s assumptions

Cosmopolitan ,1906

The Modern Savage James McWilliams,2015-01-06 A book that everyone concerned about food animals and the environment should read Peter Singer Princeton Professor and author of *Animal Liberation*

A Scientific Method of Eating Your Way to Health Arnold Ehret,1924
