

## Double Entry Journal

Page(s)	Passage from text	Analysis
8-9	<p>“Johnny could smell the hemp and spices, tar and salt water, the sun drying fish. He liked his wharf. He sat at his own bench, before him the innumerable tools of his trade...Mr. Lapham was always telling him to give God thanks who had seen fit to make him so good an artisan—not to take it out in lording it over the other boys. That was one of the things that Johnny ‘did not let bother him much’...[Johnny says to Dove], ‘Well then, this spoon you finished yesterday afternoon has to be melted down—made over. You beat it to the wrong gauge...So get out a crucible. Soon as Dusty’s got the furnace going, you melt it down and try again.’ I’d like to get you in a crucible, thought Dove, and melt you down. I’d beat you to the proper gauge...Two years younger than me and look at him!”</p>	<p>Define terms, reflect on author’s style, identify conflict, make predictions, relate to colonial life in the 1770’s and the role of moral, social, political and economic environments in the passage.</p> <p>The setting is described with imagery that appeals to the sense of smell—one can almost smell the sea smells of the ocean nearby, and the ‘hemp’ refers to the ropes tying the ships up at the docks. Johnny is clearly proud of his skill and seems to be ignoring Mr. Lapham’s repeated warnings about being humble and not bossing the boys around. In this passage he is “lording his knowledge” over Dove, who is clearly less capable but two years older.</p> <p>The word gauge refers to the thickness of the silver, and a crucible is a porcelain cup that is used to melt and refine the silver for molding. Dove’s thoughts show his reaction to Johnny’s ordering him around, and the conflict here with Johnny’s pride and Mr. Lapham’s unheeded warnings seems to provide a foreshadowing of trouble to come for him, especially with Dove who resents him. Although Johnny is an indentured apprentice, his social role seems to be one of high standing.</p>
