## **Shipbroking And Chartering Practice:**

*Shipbroking and Chartering Practice* Evi Plomaritou, Anthony Papadopoulos, 2017-12-12 Now in its eighth edition this classic text is a first point of reference for anyone looking to obtain an understanding of chartering and shipbroking practice. It provides hands on commercially focused explanations of chartering business and invaluable advice on how the shipping market operates across a broad range of topics. The authors also deal expertly with the legal, financial, operational and managerial aspects of chartering offering numerous case studies which clearly link theory to practice. This new edition has been fully revised and updated to reflect the current trends in chartering practice, legal developments and standard forms of charterparties. New to this edition: Enriched with practical examples covering crucial aspects of chartering and shipbroking business such as voyage estimations, freight conversions and tanker calculations. New material on day to day laytime principles including Laytime Definitions for Charterparties 2013 associated commentary and relevant examples. Shipping Marketing as a modern tool of improving chartering and shipbroking business. Expanded coverage of the economic background of chartering including markets, vessels, cargoes, trades and fixtures. Freight rates for all vessel types from 1980 to 2015. Updated review of well known standard charterparty documents including NYPE 2015 together with clauses and wordings commonly applying to various charter types. Analytical glossary containing typical terms and abbreviations used in chartering negotiations. This book is an essential guide for practitioners in private practice and in house for shipowners and cargo houses as well as those studying shipbroking and chartering. *Shipbroking and Chartering Practice*, 2009

*Shipbroking and Chartering Practice* Lars Gorton, Rolf Ihre, Arne Sandevärn, 1990      **Shipbroking and Chartering Practice** Lars Gorton, Rolf Ihre, Arne Sandevärn, 1978      *Shipbroking and Chartering Practice* Lars Gorton (Patrick Hillenius, Rolf Ihre and Arne Sandevärn), 2004      *Shipbrokers and the Law* Andrew Jamieson, 2020-11-25 This text provides an explanation of the responsibilities and liabilities of the shipbroker both in direct contact with principles and as part of a chain of other brokers. Highlighting legal questions arising from ways in which the broker's business is done, issues addressed in this book include potential legal liabilities as well as common negligence claims. The book also deals with the shipbroker's entitlement to commission and the problems associated with litigation in this area. It is suitable for ship owners, charterers, agents and marine consultants as well as brokers.      **The Liability of Classification Societies** Nicolai I. Lagoni, 2007-06-29 Because the liability of ship owners is limited, classification societies have been considered as exempt from liability. This book analyses which actions of classification societies may give rise to claims and whether or not the societies can be held liable under English, German or American maritime law. In addition, it develops the fundamental aspects of an international convention on the limitation of the liability of classification societies.      **Management, Finance and Industrial Relations in Maritime Industries** Simon Ville, David M. Williams, 2017-10-18 This volume seeks to explore the vast history of international maritime business focussing on themes of management, finance and labour. Each essay considers the economics

of maritime industries and the factors that influenced decision making Their collective purpose is to spotlight relatively neglected areas of international maritime business history and their richly varied subjects and geographies are primarily unified by this theme whilst demonstrating the universality of international maritime business The essays cover the following subjects the Norwegian shipbroking firm Fearnley and Eger the labour management strategies of nineteenth century London dock companies the hierarchies of Finnish seagoing in the nineteenth century twentieth century Spanish merchant shipping an examination of Gothenburg s leading shipping companies an exploration of The Royal Mail s postal contracts and overseas mail service patterns of ownership and finance in Greek deep sea steamship fleets the relationships between banks and industry in interwar Italy the expansion of Japanese post war shipbuilding and a survey of Chinese junk trades

**The Shipbroking and Chartering Handbook** Ashok Mulloth,2014 This book has been written so that people involved in the business of ship chartering get an excellent overview of this part of the shipping business As the book covers all aspects of chartering in a simple manner it will make an understanding of the business of ship chartering easy for those reading it The graphics in the book also make it easy for students to understand the Bill of Lading system and Incoterms and the essentials of freight market practice among others The book has ten chapters that have been arranged logically and sequentially Several standard chartering contracts have also been included as appendices
