The acronym STEM stands for Science Technology Engineering and Math. These subjects are closely related to one another and are sometimes overlooked as critical subjects in education, often dismissed by students and teachers after primary education is completed. However, the need for these subjects in our society is crucial. The books in this series aim to pique the interest of children in these areas of study, stress the importance of these subjects, and help encourage children who are interested to continue within these fields as they grow and learn.

Between marvelous mazes, spot the difference, drawing puzzles, pattern identifying, testing quizzes, and more, the activities in this book introduce children to the beautiful world of art and might even one day inspire them to contribute a masterpiece of their own.

**Vicki Cobb's Why Do I Dry Off?** Vicki Cobb, 2020-06-23

How do you dry off? Find out how in this new colorful, easy-to-read STEM book. STEM is an acronym for Science Technology Engineering and Math. Though these subjects are incredibly important to both education and society as a whole, they are often overlooked, especially after primary education is complete. A goal of this book is to introduce STEM to kids and make them excited about learning these central subjects.

In *Why Do I Dry Off*, your child will learn all about evaporation and the process of liquid changing into gas, an important part of the water cycle. Accomplished author and educator Vicki Cobb teaches your child all about this important aspect of STEM while still making it fun and entertaining through bright illustrations, easy-to-understand language, and experiments broken down step by step. Your child will be so enthralled they won't even realize they're learning. Introduce your child to vital STEM subjects and encourage them to learn about the world around them with *Why Do I Dry Off*.
