**Selling Happiness** Ellen Johnston Laing, 2004-08-31 From the early twentieth century until the Communist takeover in 1949 Shanghai commercial artists created thousands of colorful posters and black and white advertisements that formed an

essential part of modern life in the city This visually appealing and richly illustrated work describes the origin and evolution of modern commercial art in China focusing on colorful advertisement calendar posters that featured distinctive feminine images It makes clear how essential commercial art and its institutional backing were to the development of modern art and even modern society in China over the past century *Selling Happiness* discusses not only advertising art but also the production and marketing of the calendar poster These posters like other advertisements were rendered in a Western realistic technique and were wildly and widely popular Ordinary people throughout China often acquired them to decorate their homes Laing outlines how the Chinese commercial artist who rarely attended formal Western art classes gained skills in Western representational art In the final chapter of the book she explains how the styles developed by the commercial poster artists during the 1920s and 1930s became the basis for certain types of propaganda art under the Chinese Communists in the 1950s and 1960s
