provide ample exercises for practicing new techniques and to lead students to adapt these methods and apply them with flexibility to their own academic work. Consequently the book contains step by step instructions for learning a variety of study strategies and many textbook excerpts including a chapter from an American history textbook to encourage application of the study skills presented. The book shows students how to establish goals, deal with potential problems and master the skills of successful time management. It shows how to preview a textbook, how to listen and take notes in class and how to use the library for research. The text provides students with a four part reading process: preparing to read, read, understand, remember. It presents three study systems: SQ4R, textbook marking and textbook mapping. The book gives students study strategies they use before, during and after taking exams. Pref

Middle School Journal, 1986 Put It in Writing Joanne Buckley, David Gates, 1994-07. Appropriate for English composition courses that have a strong focus on grammar and in which the writing process is introduced first. This volume gives students the opportunity to practice writing right from the first page. The first part of the book focuses on purpose and audience. It provides a wide variety of humorous and realistic subjects about which students practice paragraph and longer forms of writing. The second part which covers the specifics of grammar using student writing and common student errors as the basis for discussion and exercises can be used in the classroom or as a self help guide. Lots of new examples and exercises.
