Cost Accounting Michael Maher, Kurt Heisinger, 1996-08      *Cost Accounting* Michael Maher, 1997      **Fundamentals of Cost Accounting** William N. Lanen, Shannon W. Anderson, Michael W. Maher, 2016-06

Fundamentals of Cost Accounting provides a direct, realistic and efficient way to learn cost accounting integrated with new technology learning tools. Fundamentals is short, approximately 700 pages, making it easy to cover in one semester. The authors have kept the text concise by focusing on the key concepts students need to master. The Decision opening vignettes and Business Application boxes show realistic applications of these concepts throughout. All chapters conclude with a Debrief that links the topics in the chapter to the decision problem faced by the manager in the opening vignette. Comprehensive end of chapter material provides students with all the practice they need to fully learn each concept. McGraw Hill Connect Accounting Plus provides students every advantage as they strive to understand the key concepts of cost accounting and its role in business. Connect Accounting Plus offers a complete digital solution with a robust online learning and homework management system, an integrated media-rich eBook, assignable end of chapter material, algorithmic functionality, and reporting capabilities. Contained within Connect Accounting is McGraw Hill's adaptive learning system, LearnSmart, which is designed to help students learn faster, study more efficiently, and retain more knowledge for greater success.

Fundamentals of Cost Accounting William N. Lanen, Shannon W. Anderson, Michael W. Maher, 2019-01-16

Developing Skills for the Classroom and Beyond: Fundamentals of Cost Accounting lets the student see the development of cost accounting tools and techniques as a natural response to decision making. By learning this intuition, students will have an easier time understanding new developments that arise during their careers. Procedural Approach: The material in the text is presented from the perspective of both the preparer of information as well as those who will use the information. This allows both accounting majors and those students planning other careers to appreciate the issues involved in preparing and using such information. Updated Discussions: The sixth edition has been updated to include new discussion on the links between activity-based cost management and lean manufacturing and lean accounting, as well as new discussion on strategy and performance.
