There are no Right Answers to Wrong Questions Peter C. Wilcox, 2016-06-28 Abraham Joshua Heschel said that We are closer to God when we are asking questions than when we have the answers He believed that to be a Christian is not to be a person who knows all the answers but one who lives in the part of the self where the question is constantly being born Most of us don t think very much about our questions In our culture we are accustomed to being able to find out answers to nearly any question just by typing it into Google search or asking Siri But behind any answer there is always a question Sometimes the question isn t clear to us sometimes it is not very well articulated even to ourselves But it is always there In over thirty years as a psychotherapist and spiritual director Peter C Wilcox has seen how the questions people ask themselves have shaped their lives in some very important ways This book is an invitation to see how important it is to learn how to ask the right questions about our lives This is because our choice of questions leads us on a path of discovery towards answers that help us to grow spiritually and psychologically Our questions orient our lives and give direction to us We will see that they enable us to make fifteen choices that have a tremendous impact on the kind of person we become Real Answers Kate Siner, 2014-04-02 What if you were able to create the life you really want What if creating this life was really just a matter of applying some simple tools and techniques *Real Answers* provides practical and down to earth solutions that will help you create such a life Be happy inside your own skin feel connected to others and confidently navigate your path Whether you have been on a quest for fulfillment or are just getting started *Real Answers* will provide you with the essentials of personal development in an insightful and direct way *Our dead, where are they?
