Governance Models for Creating Public Value in Open Data Initiatives Manuel Pedro Rodríguez Bolívar, Kelvin Joseph Bwalya, Christopher G. Reddick, 2019-05-07 This book relies on the conceptual model of Open Government OG focusing on transparency and concretely in open data initiatives at the local government context with the aim of improving participation and collaboration Most Open Government models are centered on three pillars transparency participation and collaboration Transparency is a crucial ingredient of OG and applied to data openness means to ensure that the data are well known comprehensible easily accessible and open to all new governance models based on different open data models have not been proposed up to now The chapter authors seek to contribute recent research to the discussion on governance models of open data initiatives to support Open Governments with the aim of creating public value It includes both theoretical and empirical studies on governments models in open data initiatives

Public Value Theory and Budgeting Usman W. Chohan, 2019-05-22 Public value theory has advanced over the past 30 years but there is a need to extend its boundary outwards into new contexts and update its discourse to reflect new social challenges We are now trying to create value in a globalized world with supranational entities with new international alliances and institutions in a frightening post truth era How can public managers grapple with these emerging realities This book seeks to provide answers to such public value questions by applying powerful budgeting perspectives Using case studies of independent budget offices key fiscal instruments and leading public value frameworks this book stands out in its use of budgetary lenses to answer pertinent questions about the multidimensional processes of value creation by and for a wider society Pushing the debate on public value forward and taking it onto the global stage the book asks whether public value and other public administration theories are applicable beyond the traditional context of the pro globalization Western liberal democracies in which they were conceived It does this by exploring the realms of developing countries supranational entities and post Communist societies among others Finally it presents these explorations in light of very recent sociopolitical

trends and phenomena including the growth of civil society the global financial crisis the illiberal democracy and the post truth era Tailored to an audience comprising public administration scholars students of government budget practitioners and social scientists interested in contemporary problems of values in society this book helps to advance public administration thought by extending public value theory into new contexts and relating it to the growing global challenges of public life

Public Value and the Post-Pandemic Society Usman W. Chohan, 2023-07-07 The destruction of the Covid 19 pandemic has marked every society with deep seated wounds whose scars have only begun to heal Yet even as societies take their first steps away from the trauma of the pandemic they confront new and perhaps equally daunting challenges in the post Covid era These challenges offer a unique occasion to consider how the mechanisms of public value PV creation and preservation can be rebuilt and improved mindful of what has been left in the pandemic s wake and of the difficult road that lies ahead The aim of this book then is to examine the forward looking possibilities of multi stakeholder value co creation which involves the renewed efforts of civil society public managers politicians and society at large in a new post pandemic era The book examines many different facets that appeal deeply to public value scholarship value stability transitions inequalities within between publics necropolitics disaster preparedness value measurement and sustainability all of which represent important explorations within public value theory and can greatly enrich PV research going forward This book will therefore be of use to both academics and practitioners of public administration and public policy as well as scholars of government health care policy and economics

Recognizing Public Value Mark H. Moore, 2013-02-15 Moore s classic *Creating Public Value* offered advice to managers about how to create public value but left unresolved the question how one could recognize when public value had been created Here he closes the gap by helping public managers name observe and count the value they produce and sustain or increase public value into the future

Philippine Legislative Governance Journal , 2016-06

Understanding Policy Success Allen McConnell, 2010-08-11 Success and failure are key to any consideration of public policy but there have been remarkably few attempts to assess systematically the various dimensions and complex nature of policy success This important new text fills the gap by developing a systematic framework and offering an entirely new way of introducing students to policy analysis

Encyclopedia of Governance Mark Bevir, 2006-12-13 The *Encyclopedia of Governance* provides a one stop point of reference for the diverse and complex topics surrounding governance for the period

between the collapse of the post war consensus and the rise of neoliberal regimes in the 1970s This comprehensive resource concentrates primarily on topics related to the changing nature and role of the state in recent times and the ways in which these roles have been conceptualized in the areas of Political Science Public Administration Political Economy and Sociology

Bureau Men, Settlement Women Camilla Stivers,2000 Although the two intertwined at first the contributions of these settlement women to the development of the administrative state have been largely lost as the new field of public administration evolved from the research bureaus and diverged from social work Camilla Stivers now shows how public administration came to be dominated not just by science and business but also by masculinity calling into question much that is taken for granted about the profession and creating an alternative vision of public service **Introducing Public**

Creating Public Value Strategic Management In Government Introduction

In today's digital age, the availability of Creating Public Value Strategic Management In Government books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Creating Public Value Strategic Management In Government books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Creating Public Value Strategic Management In Government books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Creating Public Value Strategic Management In Government versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Creating Public Value Strategic Management In Government books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Creating Public Value Strategic Management In Government books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Creating Public Value Strategic Management In Government books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic

texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Creating Public Value Strategic Management In Government books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Creating Public Value Strategic Management In Government books and manuals for download and embark on your journey of knowledge?
