**An Encounter With Destiny** Blythe Dowling-Eversly, 2024-11-07 Try as we might rarely do we receive second chances to fix previous indiscretions In the case of Dez Hourie a sergeant in the top secret Hyperphonic division of the U S Air Force she s about to experience one of those supposed instances With her superiors clamoring to shut down the program due to their dissatisfaction with the results thus far Dez is backed into a corner considering the military s reluctance to use human test subjects If the program is disbanded who knows where they ll send her next Things become even more complicated once she runs into an old friend who has evolved from his dorky undergrad days into a present day hunk a transformation that leaves the sergeant feeling foolish to say the least once she also discovers that he s engaged With an uncertain future staring her in the face both personally and professionally Dez decides to roll the dice convincing the research team leader that the only solution to their problems resides in the past Left with seemingly no choice he reluctantly agrees However Dez is about to learn what many others before her have and that is in this life there are no coincidences

**Wifey Material** Blythe Dowling-Eversly, 2024-01-10 Happy wife Happy life This recurrent phrase has slowly morphed from folksy colloquialism to full blown mantra by an ever increasing share of married men all around the modern world The irony or the ignominy depending on which side of the aisle you sit on being that no such idiom appears to exist in the reverse Nevertheless for Bethuel Bee Blazey finding that special someone to stand beside him while he grows his family business has proven to be an exercise in futility More meme than Kermit the Frog sipping black tea Introducing M A I A short for Modifiable Artificial Intelligence Android Designed to complement the forgotten men and women on the go who struggle with the ever evolving intricacies of relationships in today s hyperactive online focused world Maia s unique conjugal abilities would prove to be a welcome addition to Bee s mental physical and emotional well being But as renowned 19th century poet Emily Dickinson once wrote Fame Is A Bee The more self aware Maia becomes the more Bee realizes that the old adage still rings true There s no such thing as a free lunch Everything comes with a price He is

at a crossroads with the machine poised to take total control If a return to normalcy is what he truly desires then it is action he must take while being cognizant to remember Newton s third law For every action there s an equal and opposite reaction The battle of the sexes has just been upgraded **The Estate Plan** Blythe Dowling-Eversly,2025-07-11 With regards to money there are usually two schools of thought a that you can never have enough and b the more you have the less you need Unfortunately for Amelia Amy Winterton she definitely falls into the former category Stuck working dead end jobs for nearly half her life Amy spends the majority of her New York nights dreaming of better days That is until she receives a dubious invitation from a former BFF to attend the memorial service for her late husband who also happens to be a reclusive billionaire Amy reluctantly attends with a few of her closest girlfriends who are soon surprised to find themselves hobnobbing with some of the biggest not to mention oldest players in the Tri State area What ensues from that whirlwind event is a three month foray into the realm of Big Apple elites as Amy and her besties go for broke trying to reel in those overly generous whales against mounting odds With the window to her fairytale lifestyle set to strike midnight Amy will have no choice but to choose exactly what she wants out of this life cash or cuddles cause when it comes to both they each share one thing in common Where there s a will there s a way *Cordially Uninvited* Jennifer Roy,2013-04-16 When eleven year old Claire is invited to serve as a junior bridesmaid at the wedding of her cousin a commoner to the Prince of England she learns that another social climbing junior bridesmaid is trying to keep the wedding from happening and it is up to Claire to stop her from spoiling the big day **MacUser** ,1986-07 **Flyover States** Grace Grant,P.
