Judaism the complex nature of Islam the demonology of antisemitism as directed against the Jewish diaspora in Europe especially and the Jewish state and the Middle East conflict Warns that terror and antisemitism are intimately related and the weakness of the West's response to the former and the waxing strength of the latter are indicators that we are living in a faltering society Muslim hostility toward the Jews and Israel is centuries old and not simply a reaction to the founding of the State of Israel in 1948 The real conflict in the Middle East is not over borders or Palestinian self determination but over the right of the Jewish people to exercise its sovereignty in its ancestral homeland Deplores the fact that not only has the Islamic world adopted Western antisemitism but the West is also adopting Islamic style antisemitism disguised as anti Zionism and is blind to the danger it poses to everything the West stands for *The Spectator* ,2004 *The Literary Review* ,2006 **The Hey Nonny Handbook** Jeffries Julia, Julia Jeffries, Warman Janice, 2007 Written for women by women this book shines a torch on our problems They offer advice on maintaining health and sanity coping with family relationships the importance of female friendships and how to relate to men They hope that women everywhere will learn from their experiences and benefit from their words
