Ziglar Performance Planner:

The Performance Planner Zig Ziglar, Zig Ziglar Corporation, 1988* *F.T.I. Failure to Implement* Howard Partridge, 2020-02-04 Why is it that we don't do the things we know we should do to be more successful? Is it a lack of time? A lack of discipline? A lack of motivation? The number one reason most people don't reach their biggest dreams and goals is what international business coach Howard Partridge calls F T I Failure to Implement. Many times people know what to do and how to do it, they just don't do it. This book reveals the causes of F T I and offers a proven path to overcoming the tendency toward inaction. The four keys to implementation that it outlines will give you the momentum you need to propel yourself to phenomenal success. Howard has been a business owner for 35 years and has been coaching business owners, leaders, and individuals to success for more than two decades. Now you can profit from his experience and unlock the keys to your biggest dreams and goals. You'll learn: How to recapture the zest of life and renew your vision; How to get more done in the less time without sacrificing sleep or family time; How to stay focused, inspired, and productive every day; How to leverage simple systems to go farther than you ever imagined; How to tap into a support community to help you sustain phenomenal success for years to come. *How to Build a Phenomenal Dream Team* Howard Partridge, 2024-12-02 Grow your business into a self-sustaining, thriving company with Howard Partridge in *How to Build a Phenomenal Dream Team*, where the dream of an autonomous, high-performing team becomes a tangible reality. Drawing from his remarkable success in transforming a modest service company into a turnkey powerhouse, Partridge offers you the keys to unlocking the full potential of your team. This book is your ticket to escaping the common pitfalls of disengagement and underperformance, guiding you through a proven three-part plan to create a team that not only shares your vision but is also equipped to drive your business forward, even in your absence. In this book, you will: Determine Where You Are Going; Learn to craft a compelling vision that resonates with your team, ensuring that every member is not just on the bus but in the right seat; Discover Phenomenal Leadership; Confront the stark truth that the success of your team begins with you; Learn the Eight Steps to Building a Phenomenal Dream Team; Dive into the heart of the book with eight actionable steps that are the cornerstone of building a high-performing, engaged, and dedicated team; Ready to transform your business and your life. *How to Build a Phenomenal Dream Team* is your first step towards building a legacy defined by phenomenal success and a team that not just works for you but elevates you. **Optimizing for Optimism** Gary D. Moyer, 2022-04-04 Simply Captivating Tom Ziglar, CEO of Zig Ziglar. Let's face it, we live in a predominantly negative world, and it seems to be getting worse. You see it in the economy, our politics, and our relationships. It's evident in the social unrest and the social media. And it's easy to get caught in the current of negativity and swept away in pessimism. When that happens, it can make our lives and those around us less than joyful, even downright miserable. Been there? What's worse if you happen to be a Bible believer who struggles with negativity, you can feel ashamed, especially if you've been told that people of faith should be happy all the time. Maybe some of the optimists you've met have been so extreme
