for their cause Among these fascist propaganda has traditionally been seen as the key means of influencing public opinion Only recently has the fascination with Fascism become a topic of enquiry that has also formed the guiding interest of this volume it offers for the first time a comparative analysis of the forms and functions of theater in countries governed by fascist or para fascist regimes By examining a wide spectrum of theatrical manifestations in a number of States with a varying degree of fascistization these studies establish some of the similarities and differences between the theatrical cultures of several cultures in the interwar period

Nibert, 2013-10-03 For courses in introductory Spanish Arriba Comunicaci n y cultura is a highly flexible program one that can be used effectively in a wide range of academic settings by instructors who teach the course in different ways and use technology to varying degrees Adopters have consistently praised Arriba for its clarity and for providing materials that are both motivating and easy to use in the classroom We believe that they will find those qualities reflected in the sixth edition as well From a new cultural focus in Perfiles that introduces the cultures of the Hispanic world through personal perspectives to new opportunities for cross cultural learning throughout students can now interact with Spanish in a dynamic way Students can also gauge their progress with new section ending Cu nto saben activities that help students put everything together in realistic role play situations With the new Presencia hispana notes students can see that Spanish is right outside their front door in their local community making learning Spanish applicable and useful in their lives See for yourself how this new personal approach combined with the hallmarks of clear grammar explanations and a wealth of meaningful practice activities brings Spanish to life for your students

Futurism and Politics Gunter Berghaus, 1996-04-15 Futurism was the state of the Fascist regime this is the view one encounters in most books written on Futurist art and literature Whilst there can be no doubt about Futurist involvement with the founding of the fascist movement little is known about the internal relationship between Futurists and Fascists in the years 1918-22 nor about the reasons for the Futurists departure from the Fascist movement in 1920 or about Futurist opposition to and even armed struggle against the Fascist regime after 1924 Whilst the public documents testifying to Futurist support of Mussolini are well known little has been written about Futurist anti fascism camouflaged as official adherence to the regime This study based primarily on unknown or unpublished documents discovered in state archives and

private collections presents a new and far more complex picture of the relationship of the two movements than has previously been shown by critics and historians
