Ian Marcouse, Andrew Hammond, Nigel Watson, 2015-07-24 Exam Board Edexcel Level AS A level Subject Business First Teaching September 2015 First Exam June 2016 Topics are broken down to short clear chapters that are all structured in the same way so students can build their understanding with ease. Covers each syllabus area in the detail you need with exercises that have enough depth and variety to give full class and homework coverage. Brings the business world into the classroom with real examples used extensively throughout the text in extra cases and in end of chapter exercises. Features to help reinforce student understanding in every chapter there's Real Business an Evaluation and Logic Chain but also the brand new 5 Whys and a How which will help students tackle exam questions.

OCR(A) A2 Physics Student Unit Guide: Unit G484 The Newtonian World Gurinder Chadha, 2009-03-27 Student Unit Guides are perfect for revision. Each guide is written by an examiner and explains the unit requirements, summarises the relevant unit content and includes a series of specimen questions and answers. There are three sections to each guide: Introduction includes advice on how to use the guide, an explanation of the skills being tested by the assessment objectives, an outline of the unit or module and depending on the unit suggestions for how to revise effectively and prepare for the examination questions. Content Guidance provides an examiner's overview of the module's key terms and concepts and identifies opportunities to exhibit the skills required by the unit. It is designed to help students to structure their revision and make them aware of the concepts they need to understand the exam and how they might analyse and evaluate topics. Question and Answers sample questions and with graded answers which have been carefully written to reflect the style of the unit. All responses are accompanied by commentaries which highlight their respective strengths and weaknesses giving students an insight into the mind of the examiner.
