## Comics In English Doraemon:

Network Power Peter J. Katzenstein, Takashi Shiraishi, 1997 This collection of scholarly papers examines the influence of Japanese dominance on the politics economies and cultures of Southeast Asia A major question probed is whether Japan has now attained through economic power the predominance it once sought through military means Japan s hegemonic system is not the first to work over the area before it were those from China from Britain from the United States This collection s comparative perspective acknowledges the distinctiveness of Asian regionalism and Japan s changing role with it As the subtitle of this book indicates it is concerned with Japan and Asia and not with Japan in Asia thus suggesting a complex and at the same time problematical regional identity for Japan
