Contemporary Labor Economics Stanley Brue, David Macpherson, Campbell McConnell, 2013-01-02 Contemporary Labor Economics 10e presents labor economics as an applied field of micro and macro theory no longer an area tangential to the core of analytical economics but rather a critical component of that core In the Tenth edition the authors deliver new and updated discussions of public policy issues and coverage of the current economic crisis while still integrating traditional topics such as labor law structure of unions and collective bargaining *Contemporary Labor Economics* Campbell R. McConnell, Stanley L. Brue, David A. Macpherson, 2003 This textbook presents the new labor economics While traditional topics such as labor law structure of unions and collective bargaining are included the focus is on labor economics as an applied field of micro and macro theory The authors assert that labor economics has become a critical part of the core of analytical economics and not merely tangential Micro and Macro Economic principles are the only prerequisites to this one term book **Loose Leaf for Contemporary Labor Economics** David Macpherson, Campbell McConnell, Stanley Brue, 2016-01-14 Contemporary Labor Economics 11e presents labor economics as an applied field of micro and macro theory no longer an area tangential to the core of analytical economics but rather a critical component of that core In the Eleventh edition the authors deliver new and updated discussions of public policy issues and coverage of the current economic crisis while still integrating traditional topics such as labor law structure of unions and collective bargaining
