Paparella,2012 The essays in this book are the distillation of years of reflection writing lecturing and active participation in the ongoing debate on the cultural identity of the European Union the vicissitudes of the transatlantic dialogue the envisioning of new social paradigms the building of more solid and more relevant bridges of understanding between two continents that have a common Western humanistic tradition albeit synthesized to other cultures in America While the approach is personal it remains interdisciplinary and holistic throughout rooted in the poetic philosophy of history of Giambattista Vico and encompassing literature philosophy myth linguistics and political science on the edge of boundaries between the historical grand narrative the religious and even the quotidian and the anecdotal These thirty essays trace the origins of Western Civilization and the synthesis of Humanism and Christianity that is the Renaissance but also Janus like

face they look forward to a new Renaissance and humanistic synthesis yet to be envisioned and forged that will dare to be both old and new that will encompass the poetical as well as the rational without losing sight of the universality of our common humanity The journey may be long arduous but it has already begun some sixty years ago Moreover these essays will appeal especially to those readers who are perplexed at the loss of humanistic modes of thought in our post modern technological society A book sure to stimulate the intellect and the imagination of its readers They are given to understand from the outset that Europe more than a geographical political reality is an evolving idea and it is her destiny to live or die as such The readers will be provided with a Vichian chart to assist them in intellectually navigating and journey on this unique idea called Europa

American Book Publishing Record ,2003 The Eclipse of Western Nations Raphael Israeli,2020-02-23 Dangers are looming for Western civilizations due to the creeping invasion of Muslims who are gradually diluting the West with their own beliefs as they end up taking over and dominating them This danger is described very eloquently and frighteningly by French writer Michel Houellebecq in his best selling novel Submission This process also triggers a fundamental change in Western societies so the old cultures of Europe which are known sought and admired by outsiders will practically disappear replaced by an amalgam of ancient European tradition with a newly imposed Muslim faith mores and Sharia laws Muslim tourists and immigrants to the West are gradually but firmly imposing their culture on a scared West which has lost its will to fight and its capacity to defend itself because of political correctness and a reluctance to face the truth This volume is the fourth in the Quartet on the Waning of Western Civilizations which also comprises Retreating from the Mirage of Multi Culturalism Misnomers and Cultural Choices and Suicidal Democracy published in 2018 19 *Symposium Issue* ,2007 *Subject Guide to Books in Print* ,1991 El-Hi Textbooks and Serials in Print ,2006 *Western Machinery and Steel World* ,1921
