provides a better portrayal of the shape's dimension values. The details such as scales, fur, or any print and texture should curve and flow with the contour shape of your subject and adjust with it accordingly. Draw the necessary details. Use a variety of line thickness and line weight given pressure on the pencil to show the right balance to the whole drawing. Use thick lines for the parts that should visually dominate the drawing and less visible and thin lines for the secondary details and parts that merely describe the object's form. *The Absolute Beginner's Big Book of Drawing and Painting* Mary Willenbrink, 2014-09-09.
