

# Clinical Immunology & Serology FIFTH EDITION

*A Laboratory Perspective*

Linda E. Miller

Christine Dorresteyn Stevens

The background of the slide features a collage of microscopic images. At the top, there are several cells with orange and purple cytoplasm. Below them, a large, detailed image of a virus with a purple, spiky surface is prominent. On the left side, there are three small, vertically stacked rectangular panels, each showing a field of green fluorescent spots against a dark background, likely representing a fluorescence micrograph of cells or particles.
