conception and the movements that are developing alternatives As the nature of industry changes we might ask what are the wider implications of the concept of IP be it for agribusiness and pharmaceutical companies or the film and music industries Has IP law has been used to safeguard and assert the ownership of ideas and creativity or is it an essential foundation of our culture Today with mounting challenges from the growth of free software and open source movements this collection provides an accessible and alternative guide to IP exploring its significance within the wider struggle between capital and the commons

International Studies Scott Straus, Barry Driscoll, 2018-09-10 The challenge of teaching international studies is to help you think coherently about the multiple causes and effects of global problems In *International Studies Global Forces Interactions and Tensions* award winning scholars Scott Straus and Barry Driscoll give you a clear framework that pinpoints how key factors forces interactions and tensions contribute to world events with both global and local consequences The authors first show you how to look for common patterns in global issues by introducing four world shaping forces global markets shifting centers of power information and communications technologies and global governance They systematically trace how these forces prompt interactions among world actors and thus give rise to a set of tensions that spur key challenges The framework enables you to ask and answer for yourself Who is interacting Where did such interactions develop What policies or institutions govern them Why are they getting certain global and local reactions You are then apply the framework to the global problems that matter most to you human rights abuses economic inequality terrorism forced migration pandemics and global health responses climate change food security and more *International Studies* raises the bar for the Introduction to IS course moving beyond interdisciplinary and into the realm of critical analysis to increase student relevancy and motivation

Human Trafficking Wendy Stickle, Shelby Hickman, Christine White, 2019-08-19 *Human Trafficking A Comprehensive Exploration into Modern Day Slavery* examines the legal socio cultural historical and political aspects of human trafficking and modern day slavery in the United States and around the world The goal of this text is to provide an accurate understanding of all forms of human trafficking and current responses to this crime

Transforming Conservation William J. Sutherland, 2022-12-07 There are severe problems with the decision making processes currently widely used leading to ineffective use of evidence faulty decisions wasting of resources and the erosion of public and political support In this book an international team of experts provide solutions The transformation suggested includes rethinking how evidence is assessed combined communicated and used in decision making using effective methods when asking experts to make judgements i e avoiding just asking an expert or a group of experts using a structured process for making decisions that incorporate the evidence and having effective

processes for learning from actions In each case the specific problem with decision making is described with a range of practical solutions Adopting this approach to decision making requires societal change so detailed suggestions are made for transforming organisations governments businesses funders and philanthropists The practical suggestions include twelve downloadable checklists The vision of the authors is to transform conservation so it is more effective more cost efficient learns from practice and is more attractive to funders However the lessons of this important book go well beyond conservation to decision makers in any field Backpacker ,2007-09 Backpacker brings the outdoors straight to the reader s doorstep inspiring and enabling them to go more places and enjoy nature more often The authority on active adventure Backpacker is the world s first GPS enabled magazine and the only magazine whose editors personally test the hiking trails camping gear and survival tips they publish Backpacker s Editors Choice Awards an industry honor recognizing design feature and product innovation has become the gold standard against which all other outdoor industry awards are measured
