Bernard Lonergan series this anthology contains Lonergan s lectures on philosophy and theology given during the later

period of his life 1965 1980 These papers document his development in the discipline during the years leading up to the

publication of *Method in Theology and beyond* to 1980 when he was more engaged in his writings and seminars on

macroeconomics Philosophical and Theological Papers 1965 1980 is divided into five sections forming units on the basis of

dates The three central sections are each a set of lectures respectively given at the Massachusetts Institute of Technology

Gonzaga University in Spokane and Trinity College University of Toronto Although there is some repetition amongst the

lecture sets and in relation to other more familiar works this repetition displays occasional new turns of phrase that the careful reader will note In at least one instance familiar material suddenly opens out onto expressions not to be found anywhere else in Lonergan s work Other very interesting developments regard the movement from speaking of the immutability of dogmas to their permanence of meaning and the permutations among real self transcendence performative self transcendence and moral self transcendence
