Cost Management Leslie G. Eldenburg, Susan K. Wolcott, Liang-Hsuan Chen, Gail Cook, 2016-03-28 Cost Management Measuring Monitoring and Motivating Performance Third Canadian Edition was written to help students learn to appropriately apply cost accounting methods in a variety of organizational settings To achieve this goal students must also develop professional competencies such as strategic critical thinking risk analysis decision making ethical reasoning and communication This is in line with the CPA curriculum and the content of this edition and the problem materials is mapped to the CPA Many students fail to recognize the assumptions limitations behavioural implications and qualitative factors that influence managerial decision making The textbook is written in an engaging step by step style that is accessible to students The authors are proactive about addressing the challenges that instructors and students face in their teaching and learning endeavors They utilize features such as realistic examples real ethical dilemmas self study problems and unique problem material structured to encourage students to think about accounting problems and problem solving more complexly

Managerial Accounting Ramji Balakrishnan, Konduru Sivaramakrishnan, Geoffrey B. Sprinkle, 2008-11-10 Most managerial accounting texts emphasize the mechanics of managerial accounting While important mechanics are not enough To solve business problems students need to understand how managerial accounting can improve decision making and when and where a particular tool or technique is appropriate Balakrishnan s Managerial Accounting 1st edition presents accounting information in the context of business decision making It combines the traditional topics of managerial accounting with a strategic framework that shows students how to construct decision models and measure information By linking business decisions with accounting information students will be motivated to learn and make more informed decisions Balakrishnan will appeal to courses where there is a true focus on decision making and accounting is placed within a business context
