

A close-up photograph showing a person's hands working on a copper pipe. The person is wearing brown leather work gloves. One hand holds a copper pipe that has been bent into a 90-degree elbow. The other hand holds a black propane torch, which is applied to the joint of the pipe. A bright blue flame is visible at the tip of the torch, and a small amount of solder is being applied to the joint. Sparks are visible as the torch heats the pipe. The background is dark and out of focus.
