**The Llewellyn Practical Guide to Psychic Self-defense & Well-being** Melita Denning, Osborne Phillips, 2002-09  
Deliberate psychic attack is very rare However your psyche is constantly under attack from friends and strangers advertisers and politicians who want to manipulate you Luckily there is a solution Denning and Phillips Practical Guide to Psychic Self Defense The best way to overcome attacks on your psyche is through awareness that they are occurring This requires you to become more awake and alert to this bombardment Part of the technique is to understand how this attempted manipulation works By studying this book you will gain that knowledge The result is that the psychological intimidation that has been used on you in the past will no longer control you There are two types of psychic attack The first kind is attack by a person who has not had any occult training He or she may feel slighted or betrayed by you based on actual or imagined situations and hold on to negative emotions Eventually unknown to that person the negative energy can leap out directed at you This book reveals that your aura is your best line of defense By using the exercises in this book to strengthen your aura any such unintentional psychic attack will easily be dispelled and discharged Even more rare is the classic psychic attack where a person does some sort of spell or ritual to harm you Full instructions are given for overcoming such negative magick both on a practical physical level sever any physical connection between you and the attacker and on a ritual spiritual level perform blessings and rites to overcome psychic attack But what happens if an attack does get through First you have to know how to recognize it Usually a successful attack strikes at your weak link That could be your physical health causing illness or your mental attitude causing depression This book will show you how to recognize the problem and how to deal with it effectively

[The Psychic Self-Defense Personal Training Manual](#) Marcia L. Pickands, 1997-04-01 Simple exercises that not only start readers on a path of psychic self mastery but also demonstrate the power of the mind and the necessity of training it Pickands teaches how to recognize psychic disturbance and the procedures for defense in both everyday and extraordinary situations She stresses ethical considerations and illustrates her points with real life situations [The Necronomicon Files](#) Daniel Harms, John Wisdom Gonce, 2003-07-01 Occult scholars explore how H P Lovecraft s fictional book of magic became a cultural phenomenon and real life legend in this revised and expanded volume What if a book existed that revealed the answers to all of life s mysteries For those who believe in it The Necronomicon is exactly that an eighth century occult text of immense power In fact The Necronomicon is a creation of science fiction writer H P Lovecraft who referred to the work in a number of stories and gave weight to its legend by inventing its own elaborate history In The Necronomicon Files two occult authorities explore all aspects of The Necronomicon from its first appearance in Lovecraft s fiction to its ongoing pervasive appearance in cult and occult circles The authors show how Lovecraft s literary circle added to the book s legend by referring to it in their own writing As people became convinced of the book s existence references to it in literature and film continue to grow This revised and expanded edition also examines the lengths people have undergone to find the

Necronomicon and the cottage industry that has arisen in response to the continuing demand for a book that does not exist. The Necronomicon Files illuminates the transformations of a modern myth exposing a literary hoax while celebrating the romance of Necronomicon lore.

**The Study of Witchcraft** Deborah Lipp, 2007-10-01 The Study of Witchcraft is a compendium for Wiccans who want to deepen their understanding of their traditions. The Study of Witchcraft reaches beyond Wicca delving into topics as diverse as history, psychology, divination, and lucid dreaming. The Study of Witchcraft introduces the reader to these topics, discussing each in depth and offering a one-of-a-kind course of study including recommended reading, offering readers increasingly solitary witches a self-study guide and a rich resource. The Study of Witchcraft includes information for all sorts of Wiccans: traditional, eclectic, radical groups, and solitary. Wide-ranging topics also include Western occultism, myth, and folklore, meditation, astrology, the Burning Times, history, herbalism, and much more. Deborah Lipp opens the book with a discussion of the past 40 years of Wiccan history and talks about the diverse people who call themselves Wiccans. Then throughout the study guide portion she offers information tailored to different types of Wiccans. Essentially, The Study of Witchcraft is a veritable master's degree in Wicca in book form. Written for the needs of the modern Wiccan who learns primarily by self-study. Written by a noted and respected author whose work is already used in study groups.

**The Way of the Warrior Priestess** Aya, 1999-10-01 A woman who struggles on the spiritual path needs validation, guidance, inspiration, and practical advice. This handbook is to help her survive the transition of the past several centuries and come to her full empowerment. This is especially for she who needs to reprogram herself as the Warrior Priestess in what is still a man's world. It is for the one who seeks to understand her place as the embodiment of the Divine Feminine Spirit because now it is time to uplift the wounded feminine consciousness to its rightful power, to transmute the negative results of ignorance and subjugation. This book is a call and a guide for the neophyte on the Path, as well as for all the extraordinary women who are searching for a Friend in the dark when they are feeling most damned and abandoned because of their Vision. It is for all the Spiritual Warrior Priestesses who have forgotten some of the pitfalls, as well as the joys of their Journey. This book will serve as an inspiration for those who have lost that Sight. In the playing field of women's spirituality, no one book or resource offers such a clear picture of the magical destiny of the Woman of Tomorrow, especially for those with eclectic beliefs. THE WAY OF THE WARRIOR PRIESTESS addresses this need for self-transformation by inspiring the reader with important quotations, as well as the author's guidance, step-by-step direction, affirmations, useful astrological insights, as well as a section that asks questions that will push the reader into changing some tired perceptions. It is written to fire up the spirit of the sleeping Feminine Spirit in both women and men. It is a handbook and empowerment manual for the growing army of individuals born at this special time in Mother Earth's history to help rebalance Her during certain changes for all of those brave souls willing to go in an exciting new direction. WHY THE READER SHOULD READ THIS BOOK This is not another book about the women's spirituality movement or about why women are goddesses. Rather, it is a bridge between traditional

magickal wisdom and the everyday challenges of the woman of the 90s It is a call to transformation and will answer the intense desire for women of all ages and colors to heal their lives It will give them permission and purpose to become what they really are perfected beings It will also bring on an almost instant wakeup call for men It embraces no particular theology religion or mythology and is not a psychological treatise It does not advocate any one path to take nor is it anti anything except ignorance It does come from a spacious metaphysical vision that many will relate to with a sigh of relief The average woman is still rather paralyzed and in partial ignorance of her power as a Magical Being because she does not even have the voice or words to help herself And most books on this subject are still either too academic or beyond the average womans experiences This book will serve as a tool and a light to help her see herself The Talking Stick section at the end of each chapter is to jumpstart some profound self questioning as well as a handy starting point in teaching situations ideal to teach self empowerment workshops all over the world The extensive Resources section at the back of the book is to help locate the key material for the process This book will be appropriate for several markets Feminist Goddess Spiritual Metaphysical Womens Self Help It should be in metaphysical centers universities feminist study groups and womens conferences and gatherings It is for women ages 16 90 who seek inspiration and practical advice It is for men who are trying to align with the female spirit both in wom
