work if you don't have the RIGHT system. It requires time, money, and desire. You must search for an academy or a teacher, achieve coordination with them, or worse, adapt your own time to their class times. You also have to pay the high fees, month to month, and what is even more annoying is that you will probably have to go to a special place in order to practice to do a page on Wordpress. You see, when it comes to learning Wordpress, we are ALL in the same game, and yet most people don't realize it. I made this crash course for a reason. I made this course to give YOU a solution to give you the RIGHT system. This crash course about Wordpress is not only going to teach you the basics of Wordpress in a didactic way, furthermore, you will learn Wordpress WHEN you want and more important, WHERE you want. It could even be at your home. I made this crash course to show you HOW you can learn the basics of Wordpress FASTER than you ever thought possible. I will teach YOU step by step, the basics of Wordpress extremely quickly. I will TAKE you through a step by step guide where you simply can't get lost. This course book will allow you to practice, learn, and deepen your knowledge of Wordpress in an entertaining, interactive, autonomous, and flexible course. End of Chapter Exercises: Tell me and I'll forget. Show me and I may remember. Involve me and I learn. Because we know that each Wordpress chapter comes with an end of chapter exercise where you get to practice the different Wordpress properties covered in the chapter. If you are determined to learn, no one can stop you. Stop procrastinating and start NOW. Learning the basics of Wordpress is something that is really worth investing time in.
